Petroleum Week
INDEX

Volume 7

July – December, 1958

McGRAW-HILL PUBLISHING CO., INC.
330 West 42nd Street – New York 36, New York

A

Abu Dhabi
*Abu Dhabi Marine Areas Ltd. to drill further appraisal wells ... Sept. 12 53
Persian Gulf text looks good ... July 18 77
Accounting -- *ICC plans some changes in uniform system of accounts for pipeline companies ... Nov. 7 90

Advertising
*Final proposals for billboard regulations along Interstate Highway System announced ... Nov. 21 51
Gasoline ads show increasing emphasis on octanes ... Nov. 7 112
*Gasoline advertisers rank second among purchasers of spot radio time ... Aug. 15 48
Gasoline advertising runs the gamut ... July 25 46
Oil keeps out of billboard fight ... Oct. 17 54
Proposed restrictions on advertising along new federal highway system ... Aug. 15 6
*Sinclair Oil & Gas launching LP-gas advertising campaign to build brand identification for new trade name, "Truflame" ... Aug. 8 45

Africa
*Algeria -- Tindouf permit granted to Safrep ... Aug. 29 31
East Africa: prospects lure oil safaris ... Oct. 31 11
East Africa - 3 new wildcats slated in East African states of Somalia and Somaliland ... Oct. 3 71
French Africa - lack of unified law slows oil deals ... Sept. 19 78
French Africa: will it be the world's next major oil province? ... Sept. 26 14
French Equatorial Africa -- *Two Socony Mobil affiliates conclude agreement with French firm for joint exploration ... Oct. 10 47
French Sahara
*Fifteen rigs at work at Hassai Messaoud field ... Oct. 24 44
Foreign groups to speed Sahara hunt ... Sept. 12 13
*Pipeline through Tunisia due to start next week ... Nov. 21 37
Sahara - Europe gas line proposed ... Nov. 7 107
French Sahara see also under **Exploration**
*Frobisher Ltd. will explore in Somalia and Kenya ... Oct. 17 53
*Gabon deal set ... Sept. 12 53
*Gabon -- three U. S. majors and Royal Dutch Shell may join in exploration ... Aug. 22 46
*Mazambique -- Indiana Standard's 50% interest in Gulf Oil concession ... July 25 45
*Nigeria -- Dutch-built barge for Shell-BP ... Dec. 19 47
Nigeria -- Shell-BP reports appraisal drilling shows Oloibiri field to be smaller than anticipated ... Dec. 12 52
*Nigeria -- Shell-BP test abandoned as dry hole at 13,000 ft. ... Nov. 7 108
*Plymouth Oil will spud deep test east of Abidjan ... Aug. 29 31
*Somaliland -- Standard-Vacuum Oil will spud in first wildcat ... Sept. 12 54
Union of South Africa -- the case of the missing oil drums ... July 11 83

Air Pollution
*Air Pollution Foundation says any regulation to limit the amount of olefins in gasoline would be "nonsensical" ... Nov. 7 104
Los Angeles may limit the olefins in gasoline to 12% in anti-smog move ... Sept. 26 6
Los Angeles, Calif. fights olefins in 'gas' ... Oct. 3 75
*L.A. Air Pollution Control Bd. won't push for rule to limit olefins in gasoline ... Oct. 17 48
*Los Angeles Air Pollution Control District hearings on proposed rule to limit sulfur content of liquid and gas fuel ... Oct. 3 78
*Los Angeles County Bd. of Supervisors adopts antismog rule ... Nov. 21 44
National Conference on Air Pollution -- concern over air pollution grows ... Nov. 28 9
U.S. Public Health Service to start tests on what type of gasoline produces the least harmful exhaust fumes ... Dec. 5 6

Alabama
Black Warrior: a shallow puzzle ... Oct. 17 21
Citronelle: a big field comes back ... July 18 32
Correction ... Aug. 8 30
*Gulf Oil asks permission to recomplete seven wells in Citronelle field ... Sept. 19 37
Leases see subject heading **Leases** also **Offshore** - Leases
*Well-spacing requirements relaxed ... Oct. 31 21

Alaska
*Alaska-Yukon Refiners & Distributors, Ltd. awards contracts for a product separation and treating plant and a marine terminal ... Nov. 14 54
*Big oil potential, but expense of developing it will be big, too ... Sept. 5 15
Conservation -- The opportunity is there - Inside Slant ... Sept. 12 15
*"Crash program" to develop oil potential a must ... Aug. 1 16
*Drilling activity bits a fast pace ... Oct. 24 25
*Drilling equipment for sale ... Aug. 29 23
Halbouty is bullish on Alaska's future - 9 big targets for oil hunters ... Sept. 19 24
Humble Oil & Refining - Shell Oil Co. No. 1 Bear Creek - Interest warms as weather cools (pic) ... Oct. 10 26
*Larger-scale crude and product transportation between Alaska and U. S. West Coast ... Oct. 24 40

*Short News Item, (ed)Editorial

Leases see under **Leases**
*May be on the brink of a production boom ... Aug. 29 15
*New book on history of Navy oil and gas operations ... July 18 34
Oil may benefit, too ... July 4 9
Potential West Coast supplier ... Dec. 5 11
*Standard Oil of Calif. abandons No. 1 Deep Creek Unit, deepest test ever drilled ... Aug. 15 26
*Steady but unspectacular oil growth expected ... Sept. 26 17
*Union Oil of Calif. begins construction of terminal in Ketchikan ... Oct. 24 49
*U.S. Geological Survey issues report on ten years of oil exploration ... Aug. 8 29
Will statehood improve oil's position in Alaska? ... July 18 12
*Work to start on seismic study of Cook Inlet ... Dec. 12 28
*Yakutat area will be site of extensive oil and gas exploration ... Sept. 12 26
Aluminum - *Personnel boat is made of aluminum (pic) ... Dec. 12 31

American Assn. of Oilwell Drilling Contractors
Dallas meeting hears Pan American Petroleum research men - air/gas drilling, blowout, tools gain ... Oct. 3 27
*Fourth edition of the Tool Pusher's Manual published ... Aug. 9 24
Hughes Tool Co. commended for research ... Oct. 3 27
Zeppa, Joseph - new president
Oct. 10 - 15 picture correction ... Oct. 31 13

American Assn. of Petroleum Landmen -
Pertinent facts - Inside Slant - Think these over ... July 18 16

American Gas Association
*Gas transmission piled up 13.4% increase in net income ... Sept. 19 90
New yardstick for gas lines' growth ... July 25 42

American Institute of Chemical Engineers -
Oil 'subs' ready to play ... Sept. 26 40

American Petroleum Institute
Committee on Public Affairs - Kerryn King may be new chairman ... Aug. 29 6
Committee on Public Affairs plans "substantial" defense against expected 1959 Congressional attacks on oil ... Nov. 14 25
*Discontinues three viscosity standards ... Dec. 19 39
Engineering service firms predict good future - in a few years ... Nov. 21 41
*Gold Medal for Distinguished Achievement" will be awarded to W.S.S. Rodgers ... Oct. 31 13
*Hamon, Jake L. will be first recipient of Carl A. Yound Memorial award ... Nov. 7 20
*King, Kerryn - chairman of Committee on Public Affairs ... Sept. 19 18
*New publication "API Recommended Practice for Inspection, Repair, and Rating of Unifired Pressure Vessels in Service in Petroleum Refineries" ... Oct. 3 79
New vice-presidents ... Nov. 14 10
*Nuclear logging calibration facilities set up on Univ. of Houston campus ... July 25 31
Oil unity must start with oil men (ed) ... Nov. 21 60
*Opposing any further hike in federal gasoline taxes for the federal highway program ... Nov. 21 12
President Porter's message: oil must unite, fight ... Nov. 14 20
Probes cause of dealer turnover ... Sept. 26 52
*Production Div. - 1957 edition of Drilling and Production Practice will be available about Sept. 15 ... July 4 26
Production men meet in Chicago - talk of problems ... Nov. 21 27
*Two publications covering heat exchange equipment available ... Dec. 19 39
Vigorous views are voiced ... Nov. 14 21

American Society of Civil Engineers -
*Pipeline division group grows ... July 4 29

American Society of Mechanical Engineers
Annual meeting discusses computer role in pipelining ... Sept. 26 44
*Trying to set up safety standards for compressors ... July 11 67

American Standards Assn. -
*Approves new standard for letter symbols for petroleum reservoir engineering and electric logging ... Oct. 24 26

American Welding Society -
*Will hold 1959 annual meeting and exhibition in Chicago in April ... Sept. 12 45

Antitrust
Antitrust cases pending - Alexandria pricing case, West Coast companies, "Cartel" case ... Aug. 29 16
Antitrust law interpretation - Mum's the word - Inside Slant ... Aug. 15 15
Antitrust suit against seven West Coast majors will probably go to trial Feb. 3 ... Dec. 5 6
El Paso Natural-Pacific Northwest merger antitrust aspects will not be considered in FPC hearings ... Sept. 19 10
El Paso-Pacific Northwest merger - Justice Dept. proceeding with its case ... Sept. 26 18
Jersey-Kentucky case see under **Litigation**
Justice Dept. antitrust studies ... Nov. 21 14
Senate antitrusters will attack industry pricing policies next year ... Aug. 8 14
*Seven West Coast majors can stay in retail business even if the government wins its antitrust case against them ... Nov. 7 20
29 companies accused of price fixing - Cited and indicted (ed) ... Aug. 8 52
Why is it so bad to be so big? (ed) ... Dec. 12 64

Arabia - Will three latest tests provide new clues to Southeast Arabian oil? ... Nov. 14 108

Argentina
*Accepts five-year credit offer for oil development equipment from five-company British group ... Sept. 26 49
Agreement reached between U.S. group and Argentina on $800-million oil development plan ... Oct. 17 6
Aims for oil exports by 1964 - here's how oil deals shape up now ... Aug. 15 42
Equipment arrives for pipeline (pic) ... Sept. 5 50
*Expansion of gas line network to Buenos Aires latest plan for cutting down crude oil imports ... Oct. 10 48
*Ferrostaal AG awarded contract for oil equipment ... Oct. 24 44
*Fish Engineering plans synthetic rubber plant ... Dec. 26 29
*Italy authorizes export of oil drilling units to Argentina ... Nov. 14 110
Italy's ENI offering to supply equipment ... Aug. 22 6
Loeb Rhoades slates tests ... Sept. 5 48
Loffland ships ten rigs to Argentina ... Nov. 14 106
*Madrejones field - new well ... Sept. 19 82
Majors accept "open door" oil policy ... Dec. 12 9
Oil deals tops $1-billion ... Aug. 1 70
Oil deals: a balancing act ... Sept. 12 50
Oil policy takes new shape ... Dec. 26 27
Oil terms continue ... Nov. 21 11
*Planning construction of ethylene and polyethylene plants at La Plata ... July 25 39
President Arturo Frondizi upholds oil development policy ... Nov. 14 10
President Arturo Frondizi will visit Washington next January ... Sept. 5 6
Rumania offers $40-million worth of oil equipment ... Aug. 8 6
Russia 'invades' Latin America ... Nov. 14 23
Sending money-finding mission to U. S. ... Aug. 15 6
*Seven firms share oil contract areas ... Dec. 19 47
*Signs agreement with Russia for $100-million in credits for oil equipment purchases ... Nov. 7 10
Two more oil development offers: drilling contract; $70-million French-financed package ... Aug. 22 45
*Union Oil Co. of Calif. awarded development contract ... Oct. 3 73
*Union Oil's new exploration contract ... Nov. 7 108
*Union Oil Co. of California starting exploration in southern Argentina ... Nov. 14 112
U.S. firms get set in Argentina ... Nov. 28 31
U.S. State Dept. beginning to doubt chances of new oil policy ... July 18 18
*Venezuela approves one-year, $10-million "compensated trade agreement" to exchange oil for Argentine goods ... Sept. 19 82

Arizona
Black Mesa Basin - could become next active area in Four Corners region ... Oct. 3 28
*Conservation regulations would require 80-acre minimum well spacing and depth-bracket proration ... Nov. 7 20
*New rules governing drilling and production ... Dec. 26 23

Arkansas
*Arkansas Oil Gas Comm. denies application of Phillips Petroleum to commingle production from different sand leases in Snow Hill field ... Sept. 19 38
Atlantic Refining's Magnolia field's tough waterflood scores big success ... Oct. 24 16
*Dealer training courses ... Sept. 5 43
*Water Pollution Control Comm. orders five-year program to stop water pollution of Ouachita River ... Oct. 24 25

Asphalt
Air Force ok's asphalt use ... Dec. 5 16
Can rubber help asphalt roads? Comeback for rubberized asphalt ... Oct. 31 24
Cities Service ready for asphalt boom ... Nov. 21 38
New special tankers for carrying asphalt ... Nov. 28 35
Producers are confident that military will now approve use of asphalt for air field runways ... Oct. 10 6
*Producers realize gain in tonnage output ... Dec. 5 56
*Sales drop ... July 25 47
*Savannah Terminal building processing plant ... Dec. 5 56
Suppliers face problems ... Sept. 19 16

Association of Desk & Derrick Clubs of North America -
Women can - and do - aid oil industry ... Oct. 17 14

Atomic Energy
*Atom blasts considered for Athabasca sands ... Oct. 31 20
Atomic energy: no real threat to oil ... July 11 23
*AEC inviting industry to participate in joint effort to develop additional uses for radioisotopes ... Oct. 17 48
*Dow Chemical sees hydrogen bomb producing shale oil ... Nov. 21 28
Esso Research & Engineering uses atomic radiation to make new classes of synthetic detergents on experimental basis ... Sept. 12 34
Government pushing study of nuclear-powered salt water conversion system ... July 25 18
*Hydrogen fusion power from sea water foreseen as energy source ... Oct. 3 16
Latin America will ask U.S. help with atomic development ... Aug. 8 14
Nuclear blasts to stimulate crude recovery could be undertaken "in the very near future" ... Dec. 5 6
*Nuclear radiation can now be used, in processing but more research is needed ... Sept. 5 35
Oil import restrictions may bring on early competition from nuclear energy in U.S. ... Sept. 19 20
Oil's interest in A-bomb grows ... Sept. 26 13

1,000 kiloton A-bomb could free up to 600-million bbl of oil for possible recovery from Athabasca tar sands ... Dec. 12 14
*Only "facts of economics" prevent use of atomic radiation for vulcanizing rubber ... Oct. 3 79
*Possible use to develop oil shale ... Dec. 19 17
Project to use atomic bombs in oilfields still alive ... Oct. 31 14
Proposed ban on atomic tests won't affect any oil field use of nuclear devices ... Sept. 5 16
Radiation and radioactive isotopes loom large in refining's future ... Sept. 5 6
Radiation moves in - Research report ... Nov. 14 62
*Richfield Oil considering use of nuclear energy for oil recovery ... Aug. 15 15
Texas Co. trains nuclear 'guns' on oil ... Sept. 5 12
*Underground nuclear blasts to open up oil production may not be feasible ... Oct. 24 14
*Using atomic bombs to produce oil running into conflicting opinions ... Nov. 28 12

Atomic Energy Commission
Giant bits are drilling 45-in. holes on Yucca Flats, Nev. testing ground ... July 4 19
*Inviting industry to participate in joint effort to develop additional uses for radioisotopes ... Oct. 17 48
*Nevada's atomic test grounds - well drilling program ... Aug. 15 31

Australia
*Cordillera Mining acquires acres in Great Artesian Basin ... Dec. 19 47
*Doubling in tariff on imported gasoline requested by Shell and other refiners ... Sept. 19 82
*First styrene monomer plant ... Dec. 19 39
*Formation of new company proposed to search for oil in Papua ... Oct. 24 44
*May increase direct subsidy for oil exploration ... Sept. 12 54
*More firms join in oil hunt ... Dec. 26 29
*Queensland considering removal of the limit on exploration acreage a company can hold ... Sept. 26 49
Royal Dutch Shell joins Caltex oil hunt ... Nov. 7 107
*Stanvac may join Delhi-Taylor in wildcatting Great Artesian Basin ... Nov. 21 37
*Statistics on gasoline demand, oil demand, imports and exports ... Aug. 8 43
West Australian Petroleum Pty. Ltd. - Christmas card with cartoon (pic) ... Dec. 26 11

Austria
*Communist-bloc countries competing for fuel oil market ... Dec. 19 47
Europe's small nations active in oil ... July 18 14
*Jersey Standard-Royal Dutch Shell completes second producing well, No. 1 Steindlberg ... Dec. 26 29
Stabilization of loose pay sands ... Nov. 14 40
*Two areas will get first tests next Spring with 10,000 ft wildcats ... Oct. 24 44
*Western oil firms will face stiffer domestic marketing competition ... Dec. 19 47

Automotive
Auto grease fittings on the way out ... Dec. 12 36
*Buses in London, England will use castor oil for lubrication of rear axles ... Dec. 26 33
*Don't look for the replacement of the diesel engine as the leading power plant for commercial vehicles ... Aug. 29 15
Fuel oil moves up a mountainside (pic) ... Nov. 21 48
Grease market is slipping ... Oct. 31 36
Greaseless bearings for autos ... a serious blow - but not fatal ... Dec. 19 48
*ICC weighs suggestion that it approve truck shipments of nonexplosive petroleum products in rubber tanks inside trailer vans ... July 18 70
*National Tank Truck Carriers issues "Commodity and Equipment Data Sheets" ... Sept. 12 42
New-car sales should pick up in 1959 ... Oct. 3 66
*New self-propelled mobile generator unit available ... Dec. 5 44
1959 will be a big year for truckers ... Dec. 5 46
Phosphorus cuts spark-plug misfiring ... Nov. 14 52
Plan '59 - report. Transporters strive for lower costs ... Nov. 7 66
*Pontiac will have 225-hp 'economy engine" using regular gasoline ... Sept. 5 35
*Sinclair Research Laboratories establishes closer liaison with auto manufacturers ... Sept. 5 15
*Streamlining of loading and unloading facilities for tank trucks could reduce cost of moving petroleum ... Sept. 19 90
Tank trucks - oil and gas transportation in 1959 ... Nov. 14 94
Truck 'outlets' aid small fields. ... Aug. 1 13
U.S. auto makers will stress economy engines ... Aug. 29 6
U.S. Motor vehicle registrations ... Oct. 10 42
*World motor vehicle registrations during 1957 ... Sept. 26 52

B

Bahamas
*Consolidated Cuban Petroleum Corp. granted two-year exploration license ... Aug. 1 71
*Siebens Leaseholds, Ltd. acquires oil rights ... Oct. 10 48
Barbados -- *Kerr-McGee will receive interest in Gulf Oil's prospecting license in return for drilling No. 1 Gulf Morgan Lewis ... July 18 79

Barges
Annual winter snarl of barge traffic in Midwest ... Dec. 19 10
Brown & Root special laying barge M-211 lays big-big-inch 14-mi. gathering system for Creole Petroleum in Lake Maracaibo (pic) ... Aug. 15 38
Cities Service Oil Co.'s LPG-petrochemical barge is in service (pic) ... July 18 66
LPG transportation fight heats up ... Aug. 1 39
*Nylon oil barge demonstrated in England ... Sept. 26 17
Nylon-rubber oil barges - Newest sea monster - an oil carrier (pic) ... Oct. 3 80
Oil and gas transportation in 1959 ... Nov. 14 94
Plan '59 - report. Transporters strive for lower costs ... Nov. 7 66
Producers Drilling Co.'s new submersible drilling barge (pic) ... Aug. 15 26
*Shell-BP - Dutch-built barge for work in Nigeria ... Dec. 19 47
*World's biggest barge" will supply Hess refinery ... Nov. 7 90
World's largest barge (pic) ... Nov. 14 96

Barges see also Offshore
Bermudez, Antonio J. - Pemex at 'critical stage' ... July 11 68

Bolivia
*Amendments to Oil Code propose more control of foreign investments ... Sept. 19 82
*Big Chief Drilling starts first foreign work ... Oct. 31 32
Brazil weighs six Bolivian bids ... Oct. 3 72
*Drilling & Exploration starting exploration program ... July 11 72
Fight change in oil code ... Sept. 26 48
*Yacimientos Petroliferos Fiscales Bolivianos starting exploration on Bolivian-Brazilian treaty acreage ... Nov. 7 108

Brazil
*Barter deal for Communist-bloc petroleum and oil development equipment ... July 18 79
*Bittencourt, Col. Alexinio favors private oil development - provided it's not in Brazil ... July 25 45
*Brantly Drilling awarded contract to drill in Alagoas ... Nov. 28 33
*California Transport Corp. will supply equipment for Rio De Janiero refinery ... Aug. 22 46
*Petrobras plans second refinery ... Dec. 19 44
*Petrobras will buy Italian equipment ... Dec. 19 47
Replacement of two top oil administrators won't change oil monopoly policy ... Dec. 12 6
Seeks U.S. and European oil financing ... Aug. 22 45
Shell Brazil Ltd.'s Sao Paulo products terminal to serve growing market ... Aug. 8 44
*Takes another step toward accepting Russian barter offer for 230,000 tons of crude ... Oct. 3 16
*Thirty British companies will supply equipment for projected refinery near Rio de Janeiro ... Aug. 29 31
Weighs six Bolivian bids ... Oct. 3 72
British Guiana - *California standard starts exploration with offshore seismic survey ... July 25 45
British Honduras - *Phillips Petroleum plans wildcat ... Oct. 31 32
Brown, Russell - 'Mr. IPAA' to retire ... Oct. 3 13

C

California
Air-drilling and air-chemical wash almost triples production from five wells ... Aug. 8 24
Bottomhole heaters spur production - Tidewater's installation in Kern River field ... Oct. 31 19
*Cut-back production restored by Tidewater Oil ... Aug. 15 26
Demand will grow fast ... Sept. 12 13
*El Paso Natural Gas plans line from Salt Lake City to California-Nev. border ... Aug. 8 16
*Gasoline retailers pushing for legislation to regulate supplier marketing practices ... Nov. 14 118
General Petroleum's deeper drilling revives old lease ... Aug. 8 20
General Petroleum Corp. fireflood works, but proves costly ... Aug. 29 19
Long Beach land subsidence - state officials unhappy over U.S. suit aimed at halting land subsidence ... Sept. 26 6
*Long Beach subsidence - U.S. wants crude production halted unless a plan is drawn within 60 days to end land subsidence ... Aug. 22 13
Los Angeles air pollution problem see under **Air Pollution**
Los Angeles harbor oil lease ruled invalid ... Aug. 15 6
Los Angeles leasing attacked ... July 18 31
More floating drilling units coming ... Oct. 24 18
North Tejon field - new deep pay ... Dec. 12 26
North Tejon field - Richfield Oil's two recent completions ... July 25 25
Offshore California: is it ready for 'big-time' oil play? ... Nov. 28 14
Offshore leases see under **Offshore - Leases**
*Producer's group blames the "progressively deteriorating Calif. oil industry" on the federal imports program ... July 18 16
*Public Utilities Comm. going to take a sharper look at out-of-state wellhead prices, Nov. 7-20 ... Nov. 28 11
Short-term economic outlook dim ... Oct. 24 13
*Tar sands can yield oil "considerably" below the price of crude of similar quality ... Oct. 10 16
*Trading stamps - campaign underway to either ban or regulate use of trading stamps ... Oct. 3 85
Wilmington field - subsidence control path open ... Oct. 17 26

Canada
Alberta's Athabasca future hinges on markets ... Sept. 26 33
*Alberta's Athabasca sands - atom blasts considered ... Oct. 31 20
*Alberta board to get two-gas-export plans ... Dec. 19 42
*Alberta - City of Medicine Hat may buy Etzikom gas field and its connecting pipeline system ... Oct. 24 40
Alberta - crude line from Swan Hills oil field to Edmonton set ... Aug. 8 10
*Alberta - cycling project set for Windfall sour gas field ... Aug. 15 26
*Alberta - exploratory interest in Athabasca tar sands drops to low point ... Oct. 3 30
*Alberta - gas starts moving to consumers from Many Island Lake field ... Sept. 19 37
*Alberta government revenue falls short of last year ... Aug. 15 31
Alberta - look for a big gas play ... Nov. 14 28
*Alberta oil discovery threatens gas project ... Dec. 5 37
Alberta - Pembina gets new ACT system ... Dec. 12 26
*Alberta - tax free gasoline usage ... Sept. 5 43
*Alberta - $20-million conservation plan for Pembina field ... Oct. 24 25
*Alberta wildcat billed as possibly "the most significant single gas find in Western Canada's drilling history" ... Sept. 12 15
*Alberta Dept. of Mines & Minerals approves planned pipeline link between Carbon gas field and Calgary ... July 4 29
*Amerada Petroleum and Ohio Oil enter into exploration in Yukon and Northwest territories ... Dec. 5 37
*Asphaltic crude from western Canada being moved by Interprovincial Pipeline to eastern Canada ... Dec. 26 12
Borden Commission recommends controls for crude and products as well as for natural gas ... Oct. 31 6
Borden Comm. report expected by fall ... Aug. 1 18
Borden Commission report stirs up a lot of protest in oil circles ... Nov. 7 18
Borden Commission report - will Canada reject proposals? ... Oct. 31 10
British American bets heavily on Western Canada - opening of Port Moody, B.C. refinery and Pincher Creek, B.C. processing plant ... Oct. 17 42
BP Canada's refinery at Ville D'Anjou - start in Canada: small, simple ... Oct. 10 32
Canadian subsidiaries of U.S. companies have an opening for trade with Red China ... July 18 18
Canadians want markets - Inside Slant ... Oct. 24 14
Canadians will confront Eisenhower with oil problems ... July 4 6
Cities Service Oil's refinery emphasizes low costs with highly integrated processing ... Nov. 7 97
Crude pipeline to Montreal likely ... Aug. 1 6
*Dangers of National Energy Board - warning from W.T. Askew of Sun Oil ... July 25 16
*Deepest drilling venture, Northern Foothills Agreement Group No. 8-28, being abandoned ... Dec. 12 12
Eisenhower's visit won't result in any immediate oil or gas policy changes ... July 18 18
Foothills Products Pipe Line proposes NGL line from Alberta to Pacific Coast ... July 18 68
Freezeup opens far Northwest to record exploration ... Dec. 26 16
Gas find may be Canada's biggest - Berland River, Alberta ... Sept. 19 32
Home Oil Co. testing electronic well control system in Alberta's Turner Valley field ... Sept. 19 30
May add liquid products and sulfur to list of exports to U.S. ... Nov. 28 9
Natural gas exports see **Imports-Exports**
Natural gas market expansion - Past experiences can guide (ed) ... Aug. 22 54
Occurrence of geological systems in Western Canada ... Aug. 15 20
Oil: big friend to Canadian Indians ... Sept. 12 22
*Oil "facts agency" being opened ... July 11 28
Pipe, equipment makers turn to Canada ... Dec. 5 42
Pipeline from Western Canada to Calif. seems set - Alberta & Southern Gas and Westcoast Transmission sign contract ... Oct. 24 40
*Pipeline to export gas to U.S. West-Coast - two rivals may be asked to get together on a single line ... Sept. 19 18
*Production will go up says C.O. Nickle of Conick Petroleums, Ltd. ... July 4 25
Refining second in Canada - Inside Slant ... Oct. 31 13
Saskatchewan: activity and accidents drops ... Sept. 5 23
*Saskatchewan approves tubing for completion of field wells ... Nov. 14 42
*Saskatchewan - biggest gasoline plant on stream ... Nov. 7 104
*Saskatchewan - first underground facility for LPG storage ... Sept. 26 46
*Saskatchewan - geological laboratory to serve oil industry opened in Regina ... Oct. 31 20
*Saskatchewan - portion of Steelman field goes into unit operation ... Sept. 5 31
Shell Oil will attempt deep test this summer in Liard River region ... July 11 43
*Taking close look at mergers ... Dec. 26 12
Trans-Canada pipeline see under **Pipelines**
*Two congressmen recommending U.S. restrictions on Canadian crude imports

*Short News Item, (ed)Editorial

be lifted ... Dec. 26 12
U.S. State Dept. conferring on oil imports situation ... Dec. 19 10
*Weakening of crude in Pacific Northwest market could Influence deliberations on proposed pipeline eastward ... July 4 13
Weather blocks far North work ... Sept 5 26
Where to drill in Western Canada ... Aug. 15 18
Wildcatting - Is profitable ... Oct. 17 25
*Yukon tests scheduled ... Nov. 21 33

Canadian Petroleum Assn.
*Oil "facts agency" to be opened ... July 11 28
Public opinion survey - many people 'don't know' oil ... Aug. 8 12
Urging government to "beware of excessive regulation of the nation's energy resources" ... Dec. 19 10

China

Humphrey, Sen. Hubert (D., Minn.), sometime critic of oil marketing, is on the rise ... Nov. 14 26
IPAA fights "national wilderness" preservation system ... Aug. 1 18
Imports will remain big item ... July 4 14
Influence on government agencies investigation ... Aug. 29 16
Johnson, (Sen.) says both importing companies and independents are guilty of seeking favored position from government ... Oct. 31 6
Land officials want legislation limiting subdivision of oil and gas lease areas ... Aug. 15 16
Mergers may undergo closer scrutiny ... Nov. 28 7
Middle East crisis - Washington readies oil moves ... July 25-6, 11
Middle East emergency program - government thinks new program an improvement over 1956 ... Aug. 1 18
Middle East crisis - Washington repercussions ... July 25 18
Minimum-wage fight will start in Congress next month ... Dec. 19 18
*National wilderness preservation system - hearings scheduled ... Sept. 12 26
Natural gas legislation ... Aug. 22 14
Natural gas legislation - oil men wary of idea that bigger Democratic majority in Congress means better chances for gas bill ... Aug. 15 16
*New concept in handling legislative problems being developed by transportation industry ... Sept. 26 46
New Congress will require a close look by the oil industry ... Nov. 26
Patman, Rep. Wright hitting at "bigness" of oil companies ... Aug. 15 16
Percentage depletion, July 4-14, Sept. 19-10, Oct. 3-6, Oct. 24-15, Nov. 7-10, 22, Nov. 14-26, Nov. 21-14, Dec. 5-18, ... Dec. 19 17
Percentage depletion - Depletion must be defended (ed) ... Oct. 10 56
Percentage depletion- Oil should speak for depletion (ed) ... Aug. 29 44
Pipeline facilities study ... Aug. 8 14
Reciprocal trade bill, July 18-18, July 25-6, ... Aug. 15 16
Selection of Senate Republican leader will be important to oil legislation ... Sept. 12 16
Senate subcommittee will be created to improve relations between U.S. and Canada ... Aug. 15 16
Should the government call the signals? (ed) ... Nov. 28 44
Small business law may spur service station ownership by individual dealers ... Sept. 5 16
*Small businessmen get help with passage of tax bill ... Aug. 29 15
"States rights" bill won't affect court rulings on oil ... July 25 18
U.S. tax and foreign investment policies slated for study ... Oct. 31 14
Watch for new names in key congressional spots ... Nov. 14 26

Conservation
*Alabama well-spacing requirements relaxed ... Oct. 31 21
Alaska - The opportunity is there - Inside Slant ... Sept. 12 15
*Arizona's proposed regulations would require 80-acre minimum well spacing and depth-bracket proration ... Nov. 7 20
*Arkansas allowables ... Aug. 1 16
Canada - how Alberta proration works ... Oct. 24 10
*Canada - $20-million plan in operation at Alberta's Pembina field ... Oct. 24 25
*Colorado - gas flaring in Bijou field still prohibited ... Aug. 29 24
Common sense can aid conservation (ed) ... Oct. 31 44
Conservation is an obligation (ed) ... Oct. 17 64
Conservation rules get new study ... Oct. 24 9
*France sets up conservation authority ... Dec. 19 47
Helium plants see under **Helium**
*Kansas allowables, Aug. 1-16, Aug. 29-15, Oct. 3-16, Oct. 31-13, Dec. 5-37, ... Dec. 26 12
*Louisiana allowables, Aug. 29-15, Sept. 26-6, Oct. 31-13, ... Nov. 28 11
*New Mexico allowables ... Aug. 22 13
*New Mexico - gas wells completed in Dakota formation subject to 320-acre spacing ... Dec. 26 22
No new land conservation laws expected to be exacted by Congress until 1961 ... Sept. 26 18
*North Dakota - operators of four fields ask for permanent 80-acre spacing ... Aug. 1 32
*North Dakota Industrial Comm. approves temporary 160-acre spacing for North Tioga field ... Sept. 19 37
*Oil Industry Conservation Forum forms five regional subcommittees to study conservation measures in various states ... Dec. 12 12
*Oil Industry Conservation Forum sets up five regional subcommittees ... Nov. 14 25
Oil Industry Conservation Forum will meet soon to draft plan for action ... Oct. 10 6
*Oil industry's conservation program examined in new book - "Conservation in the Production of Petroleum" ... July 25 31
*Oklahoma allowable, Aug. 8-16, Sept. 26-6, Oct. 3-16, ... Dec. 5 37
Oklahoma - no new field rules yet ... Oct. 17 12
Oklahoma plans major changes in oil and gas conservation plans ... Aug. 8 12
*Public lands may be closed to mineral development ... Aug. 15 15
Texas allowables - words of wisdom - Inside Slant ... July 25 16
Texas may raise allowable - Four Corners crude eases tight supply ... July 11 25
Utah's Aneth area - tighter controls on tap ... Dec. 5 20
*Utah - Aneth hearings postponed 6 months ... Aug. 22 22
*Utah - executive committee of Rocky Mountain Oil & Gas Assn. will meet to examine position to take on possible ratable-take laws ... Dec. 12 28
*Utah's law may come up for review ... Nov. 21 12
*Utah may issue lease-by-lease ratable take order to protect against drainage in Aneth area ... Nov. 28 6
*Utah - RMOGA urges stronger drainage law ... Dec. 26 22
Utah - U.S. flexes its conservation muscles ... Oct. 31 9
Wide spacing needed early - Inside Slant ... Aug. 1 16
Contractors see under **Drilling**

Corrosion
Corrosion hits producers hardest ... Nov. 28 19
*New type of deep groundbed for cathodic protection of pipe in high-resistivity soil receives recommendation from Interstate Oil Pipe Line ... Sept. 26 46

Costa Rica
*Gulf Oil acquires 50% interest in Union Oil Co. of Calif. rights ... Aug. 1 71
*Under pressure to end its "flag of convenience" ship registry ... Nov. 28 35
*Union Oil Co. of Calif. planning to resume-drilling ... Nov. 21 37

Cuba
*May get investment from Belgian businessmen to process oil from mineral asphalts ... Nov. 28 28
*Refining capacity will be boosted with new plant at Cienfuegos ... Aug. 8 42
*Standard Oil (Ind.) pulling out ... Dec. 12 52

Czechoslovakia
*18-year agreement for increasing volumes of crude oil imports signed with U.S.S.R. ... Oct. 31 32
*Refining capacity targeted for 106,000 b/d by 1965 ... Oct. 10 47

What fuel will commercial jets use? Kerosine-type fuel seen ... Sept. 5 13
Crude
*Asphaltic crude from western Canada being moved by Interprovincial Pipeline to eastern Canada ... Dec. 26 12
August crude output will rise ... July 25 15
*Cuts in crude runs announced ... Aug. 29 15
*Development of low gravity crude for making residual fuel being "intentionally discouraged" by drastic price cuts ... Dec. 12 12
First Soviet crude delivered to Japan (pic) ... Nov. 28 32
Four Corners crude eases tight supply in Texas ... July 11 25
Free world demand will rise sharply ... Nov. 14 22
Government's crude oil availability study won't be ready until next year ... Sept. 19 20
January crude output will rise ... Dec. 19 14
*Larger-scale crude and product transportation between Alaska and U.S. West Coast begun ... Oct. 24 40
'Low' crude stocks seem adequate ... Oct. 3 11
Output due to rise ... Nov. 21 9
*Sinclair Oil and BP agreement to supply and market crude in Western Hemisphere ... Oct. 31 13
Squeezing full value from crude - Research report ... Nov. 14 58
U.S. now has a crude productive capacity of about 10-million b/d ... Nov. 14 10
U.S. output in Sept. will top 7-million b/d ... Aug. 22 6
Distillate
Cheaper oil burners may win more oil heat users ... July 4 32
*Fuel oil consumption by power plants drop, gas usage rises ... Aug. 1 78
Heating demand could run high ... Oct. 10 11
Increased demand predicted by Jimenez of Tidewater and Marshman of Socony Mobil Oil ... Sept. 19 92
Oil vs gas: the fight evens up ... Oct. 10 42
Gasoline
Additives help overcome rumble - Cities Service new "5-D Anti-Rumble Gasoline" ... Sept. 19 72
Advertising runs the gamut ... July 25 46
Blending pump interest sharpens ... Aug. 1 76
*Canada - Alberta's tax free gasoline usage ... Sept. 5 43
*Cities Service announces new 'rumble-free' fuel ... July 25 39
El Paso natural gasoline plant virtually self-enclosed - 'inside-outside' plant ... Aug. 29 32
High gasoline yield danger grows ... Aug. 22 11
Increased demand seen for '59 ... Sept. 19 92
*Leonard Refineries marketing "automand marine" gasolines ... July 25 47
Los Angeles, Calif. fights olefins in 'gas' ... Oct. 3 75
Los Angeles may limit the olefins in gasoline to 12% in anti-smog move ... Sept. 26 6
*More Japanese surplus to U.S. West Coast ... Aug. 29 31
Moscow rationing ends ... Aug. 22 12
Natural gasoline - feedstock? ... Nov. 28 27
*Pontiac will have 225-hp "economy engine" using regular gasoline ... Sept. 5 35
*Private-brand marketers gain outlets, volume ... Sept. 19 94
*Richfield driving hard to boost sales of '100-plus octane boron gasoline' ... Oct. 10 43
*Russia claiming progress in making and transporting "solid" gasoline ... Aug. 29 35
"Townsend Process" - new gas treating process is '3-in-1' ... Sept. 26 38
Octane
Ads talk octane, but who's racing? ... Nov. 7 112
Are higher octanes justified? - spokesman for California Research Corp. ... Aug. 22 34
*Octane ratings, July 4-33, Aug. 8-37, Sept. 12-49, Oct. 10-43, Oct. 31-36, Nov. 7-113, ... Dec. 12 56
Texas Co. molecular sieve process removes low-octane components from refinery napthas ... Sept. 12 33
LPG
*Barge deliveries increase causes General Gas to increase storage capacity of Bainbridge, Ga. terminal by 50% ... July 25 43
*Claim that propylene is harmful in LPG motor fuel is not true says NGAA ... Dec. 12 38
Here's how LPG is moving to its markets ... Nov. 21 47
*Rail freight rates reduced by about 8% in ten southeastern states ... July 4 29
Sales continue to climb ... Dec. 19 10
*Sales will climb about 5% annually ... Oct. 17 57
Transocean traffic - Esso Puerto Rico new "combination tanker" ... July 4 27
Transportation fight heats up ... Aug. 1 39
*Product inventory imbalance problem ... Aug. 29 15

Public Relations
Canadian Petroleum Assn. public opinion survey - many people 'don't know' oil ... Aug. 8 12
*Credit cards - letters; 'Dear Sir: the baby ate it...' ... July 4 32
Gulf Oil Corp.'s active interest in politics - A bold step, well taken ... Sept. 19 110
House organs of oil companies speak more boldly ... Oct. 10 15
Oil: big friend to Canadian Indians ... Sept. 12 22
Oil can't solve its problems alone - Gulf Oil's move into politics creates a stir ... Nov. 7 17
Tuttle, John B. of Esso Standard Oil - customer queries; a sales reservoir ... July 25 15
'U.S. oil needs new friends' - Sen Lyndon Johnson ... Nov. 7 17
Woman can - and do - aid oil industry - Assn. of Desk & Derrick Clubs of North America convention ... Oct. 17 14

Puerto Rico
Government promises to quit promoting building of refineries ... Oct. 3 6
Products pipeline across Puerto Rico will end around-the-coast shipments ... Nov. 7 88

R

Railroads
Giant tank car may spur rail traffic ... Oct. 17 37
LPG transportation fight heats up ... Aug. 1 39
Plan '59 - report Transporters strive for lower costs ... Nov. 7 66
Tank cars - oil and gas transportation in 1959 ... Nov. 14 94
Weigh shipping-rate change ... Nov. 21 47

Refining
*Adjustment necessary in refinery yields ... Aug. 15 15
Air invades process stream cooling ... Dec. 19 36
British American bets heavily on Western Canada - opening of Port Moody, B.C. refinery and Pincher Creek, B.C. processing plant ... Oct. 17 42
BP Canada's Ville d'Anjou refinery - start in Canada; small, simple ... Oct. 10 32
California Research pilot plants cut catalyst testing costs ... Aug. 15 32
*Canada - biggest gasoline plant in Saskatchewan on stream ... Nov. 7 10
Canada - refining ranks second - Inside Slant ... Oct. 31 13
Cities Service Oil's Canadain refinery emphasizes low costs with highly integrated processing ... Nov. 7 97
Cities Service overcomes rumble with new additive ... Sept. 19 72
El Paso natural gasoline plant virtually self-enclosed - 'inside-outside' plant ... Aug. 29 32
*Electronic instrumentation can save 10% in maintenance costs ... July 11 58
Engineering service firms predict a good future - in a few years ... Nov. 21 41
Evaporation losses - new tools help refiners ... July 11 55
*Florida - Jacksonville refinery proposed ... Dec. 26 26
Getty Oil starts refining in Italy ... Oct. 3 72
High gasoline yield danger grows ... Aug. 22 11
Humble Oil given permission to build largest gas processing and cycling plant in America ... Sept. 19 10
IBM "package" offers easy computing for independents ... Oct. 10 34
Import plan equalizes refiners ... Sept. 19 13
Imports controls plan geared to refinery runs would aid inland refineries ... Aug. 29 12
Imports control plan - revised plan geared to refinery runs ... Aug. 29 11
Independent refiners and import quotas - is it divide and conquer? - Inside Slant ... Nov. 7 20
*Independent refiners threatening to complain if they don't get a reduction in pipeline tariffs ... Sept. 5 40
*India - Italian team studies feasibility of financial participation in projected refinery in Bihar ... Dec. 26 29
Inland refiners must integrate margin changes indicate ... Aug. 15 11
*Italian-Moroccan refinery planned ... Nov. 28 33
Japan's refining profits shrink ... Oct. 10 46
LaGloria Oil & Gas modernizes for efficiency at Tyler, Tex. refinery ... Aug. 22 32
Los Angeles, Calif. fights olefins in 'gas' ... Oct. 3 75
'Low' crude stocks seem adequate ... Oct. 3 11
Octafining makes one isomer from four ... July 4 30
Pattern of refinery operations ... Aug. 22 11
Petrochemicals report ... Sept. 19 42
Plan '59 - report Refiners want more quality ... Nov. 7 54
*Product inventory imbalance problem ... Aug. 29 15
Radiation and radioactive isotopes loom large ... Sept. 5 6
Reclamation shop saves time and dollars ... Nov. 14 49
Red China's Lanchow refinery - new installations spring up (pic) ... Sept. 19 80
Refinery growth continues ... Nov. 28 8
Refinery runs up despite pleas for cutbacks ... Aug. 29 6
Royal Dutch Shell joins small U.S. refiner in putting up 3,500 b/d plant in Guatemala ... Oct. 3 72
*Russia - two refineries under construction in eastern Siberia ... Oct. 31 32
*Shell's new refinery at Harburg, West Germany, on stream ... Nov. 14 112
Signal Oil & Gas will rebuild Hancock's Signal Hill refinery damaged by fire in May ... Dec. 12 6
SBA will reconsider the definition of "small refiner" ... July 4 14
*Soviet team to start preparatory work on "large-size" refinery in East Germany ... Nov. 14 112
Standard Oil Co. of Calif. starts work on Hawaiian refinery ... Oct. 24 28
Substitute crudes - when they arrive refiners will be ready to process them ... Sept. 26 40
Texas Co. - explosion at Anacortes, Wash. refinery delays processing tests ... Sept. 26 6
Texas Co. molecular sieve process removes low-octane components from refinery napthas ... Sept. 12 33

*Short News Item, (ed)Editorial

Texas Co. pushes Latin American plans — Oct. 24 42
*U.S. refining capacity - look for a tail-off — Sept. 12 15
Use of treated sewage-plant effluent can aid water-short areas — Nov. 28 26

Research
Additives help Cities Service overcome humble — Sept. 19 72
Army research on battlefield distribution of petroleum products — Oct. 31 34
*Chinese communists claiming improved process to make synthetic petroleum from coal by Fischer-Tropsch synthesis — Aug. 29 35
Esso gets more research 'mileage' with two new tools - rapid-compression machine and 8-car dynameter — Aug. 1 72
*Esso Research & Engineering reports "important breakthrough" in design of hydrocarbon fuel cells — Sept. 26 43
Esso Research & Engineering uses atomic radiation to make new classes of synthetic detergents on an experimental basis — Sept. 12 34
'Fuel cell' potential grows — Nov. 21 10
Fuel gas can be made from oil shale - Institute of Gas Technology report — Oct. 3 74
Hughes Tool Co. commended for research (pic) — Oct. 3 27
Hughes Tool lab unit aids bottomhole research — Dec. 12 20
*Hydrogen may replace coke in blast furnaces - "H-Iron Process" — Dec. 5 17
Operations research use grows — Sept. 26 51
Pilot plants cut catalyst testing costs — Aug. 15 32
Production, drilling gains noted — Oct. 10 23
Research centers - Research report — Nov. 14 80
Research report — Nov. 14 56
Rock study urged — Dec. 26 21
Rubberized asphalt heads for a comeback — Oct. 31 24
*Shell Development's simple, quick test to help determine how fuel oil will behave in service after a long period in storage — Sept. 19 18
*Silane fluids show great promise as base materials for high-temperature engine oils and hydraulic fluids — Oct. 17 48
*Sinclair Research Laboratories establishes closer liaison with auto manufacturers — Sept. 5 15
Standard Oil Co. (Ind.) Whiting technical service laboratories cuts costs, improves efficiency — Dec. 5 49
Texas Co. trains nuclear 'guns' on oil — Sept. 5 12
*Trend: more recognition and promotional opportunity for "full-time-and-forever research scientists — Aug. 1 16
U.S. Public Health Service to start tests on what type of gasoline produces the least harmful exhaust fumes — Dec. 5 6
Vibratory drilling - is it worthwhile? — Sept. 26 24
Will 'heat cells' hurt fuel oil? — Oct. 31 25

Reserves
Sales of oil reserves turn upward — Nov. 14 19
Shale: proved emergency reservoir (ed) — Aug. 1 86
Shale, tar sands get new impetus — Aug. 1 11

Rigs
Creole tests giant new rig 'lifter' - fork-lift may speed lake rig moving — July 4 35
Deep drilling report - Other trends mark drilling today — Oct. 3 61
*Drilling rig custom-made for desert operations — Dec. 12 31
Equipping oil operations overseas - report — Aug. 1 48
Five rules for keeping rigs busy — Dec. 26 18
'Grasshopper rig' designed for Italy (pic) — Nov. 28 20
Hydraulic rig nearing production — Aug. 15 24
Loffland ships ten rigs to Argentina — Nov. 14 106
Number of efficient rigs being reduced constantly - A silver lining - Inside Slant — Oct. 3 16
*Oasis Oil Co. will move new rigs into Libya — Nov. 14 112
Rig balance two years off - Inside Slant — Dec. 12 12
*Rumania exporting rigs — Sept. 19 37
Unique offshore rig is designed by Arkansas Fuel Oil Corp. — Oct. 10 21
What impact will rig fire have? — Oct. 24 11
Rocky Mountain area - *U.S. Geological Survey approves new units — July 11 44

Rocky Mountain Oil & Gas Assn.
*Executive committee will meet to examine what position to take on possible ratable-take laws in Utah — Dec. 12 28
*Proposes compromise royalty plan for leases on Utah state lands — Aug. 22 22
*Urges stronger drainage law in Utah — Dec. 26 22

Rumania
*Country's first petrochemical plant will go into operation soon — Oct. 10 47
*Exporting rigs — Sept. 19 37
Offers Argentina $40-million worth of oil equipment — Aug. 8 6
*Oil Ministry wants former employees of "nationalized" Western companies to help find old well locations — Nov. 28 11
Yemen due for Rumanian aid — July 25 44

Russia
Argentina signs agreement for $100-million in credits for oil equipment purchases — Nov. 7 10
*Average output per well is 64 b/d — Sept. 19 82
*Claiming progress in making and transporting "solid" gasoline — Aug. 29 35
Claiming successful tests for new 4-in. turbodrill — July 11 18
*East German technical mission to help draw up plans for pipeline to East Germany from Baku fields — Oct. 31 32
Electrodrill reported — Nov. 28 17
*Exports of oil to Red China in 1957: 1.8-million metric tons — Aug. 22 46
First Soviet crude delivered to Japan (pic) — Nov. 28 32
*Gamma radiometer for high-speed aerial prospecting for oil — Dec. 5 41
*Increasing flow of information on oil industry operations — Aug. 15 15
*India signs five-year trade pact — Nov. 28 33
'Invades' Latin America — Nov. 14 23
*Large-scale ddvelopment of gas industry in next 15 years slated — Sept. 19 82
Moscow gasoline rationing ends — Aug. 22 12
*Predicts output of plastics and synthetic fibers will expand — July 18 76
*Reportedly building shale oil plant at Kochtla Jarwe, Estonia, Aug. 8-16, — Aug. 29 35
Russians intend to use "automatic welder" on some of bigger proposed pipeline projects — Sept. 5 40
Sets new oil targets — Nov. 21 7
Soviets single out oil as special target — Sept. 26 21
Soviets try remote well control (pic) — Dec. 12 51
*Tele-control system installed in Stavropol natural gas fields (pic) — Aug. 8 42
*Two refineries of undisclosed capacity under construction in eastern Siberia — Oct. 31 32
*Underground storage plans announced — July 18 70
USSR: oil nations need UN 'aid' — Dec. 5 12
*Wants to put to work byproduct energy of one of natural gas trunklines — July 4 28
*Will help build Polish refinery — Sept. 19 82

S

Safety
Canada - Saskatchewan activity and accidents drop — Sept. 5 23
D-X Sunray 'plays it safe' around acid — Sept. 5 34
*Injury rate in oil industry drops to all-time low — Sept. 5 15
Odessa, Tex. fire department program aimed at helping oil industry control fire hazards — Aug. 15 14
Offshore firms to aid in sea rescues — Oct. 17 26
Offshore platforms - study aids offshore safety — July 11 38
Pipeline fire-fighting gets specialized special school — Sept. 12 41
What impact will rig fire have? — Oct. 24 11
Saskatchewan Oil & Gas Conservation Bd. - *Approves unitization of Gull Lake North Shaunavon pool for waterflood — Oct. 3 32

Saudi Arabia
*Italians to study Saudi Red Sea offer — Nov. 21 37
Onassis dispute with Aramco - The sovereign 'right' to welch? W.M. Jablonski — Sept. 12 14
60-40 and 50-50-and premature obituaries W. M. Jablonski — Sept. 19 22
60-40 oil concession for Indiana Standard deal still pending — Oct. 24 42
Scandinavia - Europe's small nations active in oil — July 18 14

Service Stations
*American Oil to try new portable service station — Oct. 3 85
API probes cause of dealer turnover — Sept. 26 52
Blending pump interest sharpens — Aug. 1 76
*BP Canada, Ltd. expects to be operating more than 400 service stations in Eastern Canada by the end of the year — Aug. 29 36
*Canadian Tire Corp. opening ultra-modern Toronto station — Nov. 28 37
Esso Standard Oil's new 12-pump, no-bay station outside Bayway refinery - a major brand model tries the "private brand look" — Oct. 3 84
*Germany - BP Benzin-und Petroleum Gesellschaft - A flying saucer? Nope, a gas station (pic) — July 4 33
How all-steel porcelain enamel stations can pay out through lower maintenance - Plan '59 report — Nov. 7 73
*Industrywide reward system to help combat crimes against service stations will be set up on test basis in four states — Nov. 21 51
Majors sell more wares at stations — Aug. 29 36
*NCPR urges lease-dealers to buy stations now — Sept. 12 48
Nation's first 'Wright-way' service station takes a bow - Ray Lindholm, Minnesota jobber of Phillips Petroleum Co. — Nov. 21 50
*Oregon Gasoline Dealers Assn. fails temporarily in its drive to stop supplier operation of service stations — July 18 81
Portable prefab service station unveiled by American Oil — Dec. 5 58
Prefabs win a new slim look (pic) — Dec. 26 33
Retail gasoline dealers looking to Washington in drive against commission stations — Oct. 10 18
*Sales, July 25-47, Sept. 19-94, — Nov. 21 51
*Sales in 1957 — Aug. 1 78
*Shell Oil plans to install dwarf pumps and motor oil cabinets at new or modernized stations — Dec. 26 33
Sinclair Refining Co. test new station design in Riverside, Conn. — Oct. 24 46
Station of tomorrow: how different will it look? — Nov. 14 114
Supersonic service station for fueling jet planes (pic) — Sept. 19 90
*Tidewater acquires 18 service stations from Nutter D. Marvel — Dec. 26 33

Shale Oil
*Bureau of Mines releases publication listing U.S. patents issued on oil shale processes — Oct. 3 79
*California tar sands can yield oil "considerably" below the price of crude of similar quality — Oct. 10 16
Canada's Athabasca future hinges on markets — Sept. 26 33
*Canada - exploratory interest in Alberta Athabasca tar sands drop to low point — Oct. 3 30
Coal pipeline success may aid shale — Aug. 22 38
Denver Research Institute says shale oil is commercial today — July 18 72
*Dow Chemical sees hydrogen bomb producing shale oil — Nov. 21 28
Fuel gas can be made from oil shale - Institute of Gas Technology report — Oct. 3 74
*Gas may be produced from oil shale at cost as little as 30¢ per thousand cu. ft. — Sept. 19 18
Middle East competitor says F.L. Hartley of Union Oil - Inside Slant — Sept. 26 17
Oil shale makes cement — Oct. 24 32
*Possible use of atomic energy to develop oil shale — Dec. 19 17
*Richfield Oil takes option on 23,000 acres of oil shale leases in Utah * — Oct. 17 28
Rifle, Colo. plant - government taking another look — July 11 30
Rifle, Colo. plant - intergovernment squabble may soon be revived — Dec. 26 14
*Russia reportedly building plant at Kochtla Jarwe, Estonia, Aug. 8-16, — Aug. 29 35
Shale: proved emergency reservoir (ed) — Aug. 1 86
Shale, tar sands get new impetus — Aug. 1 11
Spain finds shale oil profitable — Dec. 26 24
Sweden has found shale oil profitable — Aug. 8 31
Union Oil closing pilot plant — July 4 6
What shale oil is — July 18 72

Sicily
*Natural gas discovery — Nov. 14 110
*Palermo - new dock facility — Sept. 5 40
Simpson, Gordon - A veteran of battles — Aug. 1 37

Society of Exploration Geophysicists
*McCollum, E.V. elected president — Oct. 17 16
28th annual meeting - new geophysical tools more sensitive — Oct. 17 22
Society of Independent Gasoline Marketers of America - Private-brand marketers form new association — Aug. 15 6
Society of Petroleum Engineers, American Institute of Mining, Metallurgical & Petroleum Engineers - 33rd annual meeting - production, drilling gains noted — Oct. 10 22
Southwest Research Institute - Doodlebug geology survey — Nov. 14 42

Spain
Considering 50-50 oil law that might spur exploration - Europe's small nations active in oil — July 18 14
*Improved draft oil bill to encourage exploration by foreign companies may be pushed through for parliamentary approval — Nov. 14 110
Pipeline in Spain: as important as Western defense itself (pic) — Dec. 5 42
Proposed oil law studied — Sept. 5 47
Utilizes oil shale deposits — Dec. 26 24

Steel
Oil groans over price hike — Aug. 8 9
Oil processing will help make steel — Dec. 12 32
Price hikes — Aug. 1 6

Storage
*"Air Baffle" reduces evaporation in gasoline storage tanks — July 25 43
*Air Force looking for someone to build storage tank capacity for installations in Crockett-Martinez area of Calif. — Oct. 3 83
Creole builds giant crude tanks (pic) — Sept. 26 48
*42-million-gal LPG underground storage cavern planned for Hughenden, Alta. — Nov. 21 48
*LPG - *More LPG caverns at Little Inch terminal — Oct. 3 82
More gas is going back underground — Dec. 12 45
New installations spring up around Red China refinery (pic) — Sept. 19 80
*Russians announce plans to use underground storage — July 18 70
*Simple, quick test developed to help determine how fuel oil will behave in service after a long period in storage — Sept. 19 18
*Texas Co. plans to double capacity of LPG storage cavern in Sour Lake, Tex. — Dec. 19 42
Texas Eastern Transmission's "winter service agreements" relies on underground caverns for storage — Dec. 12 43
*Underground storage of LPG - facility in Saskatchewan — Sept. 26 46
*Underground storage of natural gas - new projects — Aug. 1 47
*Underground storage of natural gas in Spokane, Wash. area — Aug. 29 26
Storms - Annual winter snarl of barge traffic in Midwest — Dec. 19 10
Sumatra - Japanese eye [illegible]-barter deal involving development of oil in Sumatra — July 18 77

Supply & Demand
California's demand will grow fast — Sept. 12 13
Domestic demand is perking up - outlook

*Short News Item, (ed)Editorial

improves for the rest of '58 — Sept. 26 11
*Domestic demand next year will jump 6% over 1958 — Oct. 3 16
Equipping oil operations overseas - report — Aug. 1 48
Forecasters see demand rising in '59 — Sept. 19 92
Four Corners crude eases tight supply in Texas — July 11 25
Government's crude oil availability study won't be ready until next year — Sept. 19 20
High gasoline yield danger grows — Aug. 22 11
IPPA - 'problems' dim producers' outlook even though demand is increasing — Oct. 31 8
Is oil heading for a relapse? (ed) — Sept. 5 58
Long-term demand dictates expansion — Nov. 14 22
'Low' crude stocks seem adequate — Oct. 3 11
*OEEC standing firm on recommendation for increased emergency oil stocks and storage capacity in western Europe — Oct. 10 48
Oil industry sets its sights on a strong recovery — Dec. 26 8
One key to oil supply security - W.M. Jablonski — Aug. 8 19
U.S. now has a crude productive capacity of about 10-million b/d — Nov. 14 10
*West Germany crude demand will soar — Oct. 17 53
*West Germany oil demand levels off — July 18 79
World demand is rising — July 25 12

Sweden
Indiana Standard will build - and supply crude for - a 36,000 b/d refinery — Oct. 24 6
Shale oil commercial now — Aug. 8 31

Switzerland
*British Petroleum may wind up with contract for exploration instead of its own concession in Canton of Fribourg — Sept. 26 49
Europe's small nations active in oil — July 18 74

Syria
Cairo outlines five-year oil plans — Nov. 28 31
*German independent drilling plans unchanged — Oct. 24 44
*Iraq Petroleum orders new pumping unit — Oct. 17 53
*Menhall-Atlantic Refining find looks commercial — Sept. 12 15
*Nasser cancels U.S. oil rights — Oct. 10 47
*Nasser must approve any changes in terms of exploration agreements of Western companies — July 18 78
*Pipeline transit fee talks initiated again with Trans Arabian Pipe Line Co. — Sept. 12 54
Shapes new oil policy — Sept. 26 48

Tankers
*Are more tankers needed for defense? — Dec. 5 44
Asphalt getting new, specially designed ships — Nov. 28 35
*California Texas plans to spend $30-million on four new tankers — July 4 28
Cheap foreign flag tanker rates may work in favor of West Coast refiners loaded with residual — Nov. 14 10
*Costa Rica under pressure to end its "flag of convenience" ship registry — Nov. 28 35
*First "natural-gas tanker" ready for sea trials — Oct. 31 35
*"Flag of convenience" ships - American shipowners-users banding together to withstand attacks — Nov. 21 48
*Floating hose will be used to unload tankers at Frobisher Bay Arctic air refueling base — Oct. 31 35
Fuel distribution methods could win or lose tomorrow's battles — Oct. 31 34
*Gulf Oil loses classification as a "citizen company" as defined by Shipping Act of 1916 — Sept. 5 40
Gulf Refining's Ostrica, La. terminal - fastest oil loading terminal in U.S. — Aug. 29 25
*Hydraulic fender eases tanker berthing — Sept. 12 42
*Japanese plan biggest tanker diesel — Dec. 12 46
*Kenai Peninsula crude - larger-scale crude and product transportation between Alaska and U.S. West Coast begun — Oct. 24 40
LPG will go 'special' over oceans - Esso Puerto Rico, new "combination tanker" — July 4 27
Marine loading arm gets a new reach - Chiksan Co. — Sept. 26 44
May become a special target in the boycott of "flags of convenience" — Dec. 5 6
Middle East situation causes changes in tanker routings — Aug. 1 6
Military makes effort to charter tankers to be used as storage vessels in the Mediterranean — Aug. 8 6
Natural gas tanker design (pic) — Nov. 14 95
Navy's new propeller design - higher efficiency at higher speeds — Oct. 3 82
*Navy's new propeller design to give high speeds with low fuel consumption may be adaptable in principle to tankers — Sept. 5 40
*No new tanker orders received by American shipyards for 11th consecutive month — Nov. 7 90
Nuclear powered
Atomic-powered submarine tanker - the tanker revolution draws closer — Oct. 10 36
Atomic tanker talked for early '60's — Aug. 29 13
Atomic tankers may get boost — Oct. 3 14
Government hopes to build nuclear-powered tanker by 1961 or 1962 — Aug. 22 6
*High-level prediction that within 10 years nuclear-powered submarine oil tankers would be in operation in the Arctic — Sept. 5 40
*Italy joining ranks of atomic-tanker planners — July 4 28
Look for new push for atomic tankers — Nov. 28 12
*U.S. atom tanker picture brightens — July 11 67
*U.S. atomic tanker now seems further away than ever — July 25 16
Oil and gas transportation in 1959 — Nov. 14 94
*Onassis building 65,000-tonner in West Germany — July 11 28
*Philline - largest commercial vessel ever built in Delaware Valley launched — Oct. 17 37
Plan '59 - report Transporters strive for lower costs — Nov. 7 66
*"Princess Sophie", largest merchant vessel ever built in an American ship yard will be christened by Queen Frederika of Greece — Oct. 31 35
"Princess Sophie" - newest oil tanker (pic) — Nov. 14 95
Push-button loading - overhead pipe gantry (pic) — Oct. 3 73
*S.S. Olympic Falcon launched — Oct. 17 37
*"Sanaisena" - sets new U.S. record (pic) — Aug. 15 40
*Sicily - Palermo's new dock facility — Sept. 5 40
"Small supertankers" get a new role - one product shipments — Sept. 5 38
Submarine tankers coming (pic) — Nov. 14 78
*Sun Oil Co. - keel being laid for largest ship ever built at Sun Shipbuilding and Dry Dock Co. — Sept. 26 46
*Surplus tanker hassle between government and A.S. Onassis - former U.S. Atty. Gen. Brownell will testify — July 4 13
T-2 tanker has its troubles — Aug. 15 38
Taiwan-built tanker due soon (pic) — Dec. 12 43
Tanker collision pinpoints control problem (pic) — Aug 15 12
Two tankers bring first oil for Wilhelmshaven line (pic) — Dec. 26 29
*U.S. building skidding badly — Sept. 12 15
*U.S. shippers operating under "flags of convenience" may face continuing attacks from unions — Dec. 19 17
Venezuelan tanker fleet planned — Aug. 22 44
*Watch for continuing attacks by transport unions on U.S.-owned ships flying foreign flags — Nov. 28 6
What size is modern for tankers today? - Plan '59 report — Nov. 7 68
*World's largest supertanker to be built for D.L. Ludwig's National Bulk Carriers - keel laid — July 4 29
*World's largest tanker, "World Apollo" launched in Japan last week — Dec. 12 12
*World tanker fleet at a glance — July 25 16
Worldwide operations may be hit by boycott — Nov. 21 6
"Tatlock's Four Corners & Rocky Mountain Petroleum Directory" now available — Sept. 12 28

Taxes
*API opposing any further hike in federal gasoline taxes for the federal highway program — Nov. 21 12
*Canada - Alberta's tax free gasoline usage — Sept. 5 43
*Colorado urging constitutional amendment to establish validity of state's production tax — Aug. 15 26
Congressional look at highway tax structure is now just about assured — Nov. 28 12
*"Engineer Tax Men" booklet available — Sept. 26 35
*Gas severance tax - companies will have until Dec. 31 to file natural gas rate changes — Dec. 5 17
Gasoline tax increase considered by the Administration — Sept. 19 20
*Independent refiners threatening to complain if they don't get a reduction in pipeline tariffs — Sept. 5 40
IRS tax guide on equipment depreciation — Sept. 26 6
*Louisiana bill boosts gas severance taxes — Nov. 28 25
Louisiana gas tax challenge looms — July 25 14
Louisiana natural gas tax battle — Nov. 7 10
Louisiana officials still critical of FPC's position on gas gathering tax — Nov. 7 22
*Louisiana - single suit may be used to test gas tax — Sept. 19 18
Louisiana solves gas tax issue — Nov. 21 10
May cause refiners to request higher than necessary allowables — Aug. 22 6
Move to broaden tax base — Dec. 5 6
*Now would be the "worst of all possible times" to impose further tax burdens on U.S. companies producing abroad says Petersen of Standard Oil of Calif. — Oct. 10 16
Oil should speak for depletion (ed) — Aug. 29 44
*Oklahoma court ruling gives producers a break on crude trucked to a pipeline — Nov. 28 6

Percentage depletion - Antipletion forces gain while losing — Aug. 15 11
Percentage depletion - politics may change depletion views — Aug. 22 7
Percentage depletion - three who switched on depletion-and why — Aug. 22 9
Percentage depletion see also under **Congress (Legislation)**
Pipelines get tax break - repeal of 4.5% federal tax on pipeline shipments — July 4 12
*Repeal of 4.5% gross receipts tax on pipeline transportation who is going to benefit? — Sept. 5 15
Revisions aid oil producers — Aug. 29 14
*Small businessmen get help — Aug. 29 15
*Texas - operators in Rusk County ask for 10% reduction in tax valuations — July 18 34
U.S. tax and foreign investment policies slated for study — Oct. 31 14

Terminals
*British American Oil expands facilities at Seven Islands, Quebec, terminal — Nov. 28 35
*Caltex's new ocean terminal at Dumai, loads first crude from Indonesia — July 18 16
*Canadian terminals planned by British American Oil Ltd. and Imperial Oil Ltd. — Aug. 1 47
*Cities Service Oil installs faster unloading dock facilities at Baltimore terminal — July 11 67
Equipment heads for Shell's Lake Maracaibo terminal (pic) — Oct. 17 53
*Freeport Bunkering Co. building terminal on Grand Bahama Island — Oct. 10 40
*General Gas will increase Bainbridge, Ga. terminal storage capacity of LPG by 50% — July 25 43
Gulf Refining's Ostrica, La. terminal - fastest oil loading terminal in U.S. — Aug. 29 25
Iraq Petroleum's Tripoli terminal operating normally — July 4 35
*Iraq Petroleum will start work on new oil port — Sept. 19 82
*Mene Grande Oil Co.'s Puerto La Cruz terminal capacity boosted — July 11 74
New York terminal planned for "small supertankers" to handle heating oil for Long Island market — Sept. 5 38
*Pacific Cooperative starts terminal at Columbia River at Portland, Ore. — Sept. 12 45
Shell Brazil Ltd.'s Sao Paulo products terminal to serve growing market — Aug. 8 44
*Sicily - Palermo's new dock facility — Sept. 5 40
*Texas Co. Lockport, Ill. sales terminal in full operation — Aug. 8 45
*Texas Co. opens new pipeline terminal in Youngstown, Ohio — Sept. 12 45
*Todhunter, Ohio terminal of Little Inch line - more LPG caverns — Oct. 3 82
*Union Oil of Calif. begins construction of terminal in Ketchikan, Alaska — Oct. 24 48

Texas
ACT acceptance grows — Aug. 15 12
Delaware Basin - shallow formations get attention — Sept. 12 18
Drilling is down but operators will spend almost $1-billion in drilling operations this year — Oct. 10 25
Four Corners eases tight supply — July 11 25
*Gasoline price wars on-again-off-again — July 4 33
In-situ combustion project - fireflood solves some problems — July 18 22
Isn't the nation's largest gas producing state in the opinion of Gov. Underwood of W. Va. - Say it isn't so - Texas - Inside slant — July 4 13
*Insurance - lower rates cover drilling risks in "blue water" tidelands of Gulf of Mexico but increased rates for inland waters — Aug. 8 29
Odessa fire department program aimed at helping oil industry control fire hazards — Aug. 15 14
Offshore boundary dispute - Texas seeking to use the legendary Texas Navy to help establish its claim — Aug. 15 14
Pecos tests yield new data — Nov. 7 28
Phillips Petroleum No. 1-EE University - casing record set in deep test — Aug. 15 14
*Proposed consolidation of Bethany and Blocker fields opposed — Nov. 28 20
SACROC unit automation program — July 25 20
South Texas gas may get new outlet with proposed Coastal States Gas Producing Co. line — Aug. 22 40
*Still has big unexplored trend — Oct. 3 30
Sun Oil's LPG-injection test in Millican Reef field, Tex. proves successful — Sept. 26 22
*Triple completion made without using tubing — Nov. 14 25
*Triple oil producer, No. 2-J Fee completion - Texas' Trailblazer — July 4 26
*Water pollution legislation imposing heavier penalties predicted — Nov. 28 25
*Wellhead price for natural gas now averages over 10¢ per thousand cu. ft. — Dec. 26 12
World's second-deepest hole - Phillips Petroleum and Sinclair's No. 1-A Montgomery — July 25 26

Texas Mid-Continent Oil & Gas Assn.
*Absorbing all activities of OIC in Texas — Oct. 10 16
Awards to L.F. McCollum and Harry W. Bass — Oct. 10 15

Texas R.R. Comm.
*Approves one new ACT system and has requests for approval of several others — Sept. 12 26
*Approves several waterflood projects — Sept. 19 38
*Approves waterflood project for Bomarton fields — Sept. 5 30
Authority to set the conditions for ratable take of gas in a given field upheld — Oct. 31 6
*Combines two fields in West Tex. — July 11 44
First hearing under pipeline connection order held — Oct. 24 6
*First test of order covering common-carrier pipeline connections dropped — Nov. 21 12
*Grants Shell Oil permission to use ACT on several West Tex. leases — July 11 44

*Short News Item, (ed)Editorial

*Issues permits for triple completion of two wells in North Monahans field, Winkler County — Oct. 3 32
Proration hearings - Are they timid? - Inside Slant — Nov. 28 11
*Three ACT plans ok'd — July 18 34
Thornbury, D.H. - New president of Mid-Continent Supply Co. (pic) — July 4 10
"Townsend Process" - New gas process has three way value — Sept. 26 38

Trend of Business
The business outlook is definitely brighter — July 11 77
Housing stages comeback after long slump — Sept. 5 46
New-car sales should pick up in 1959 — Oct. 3 66
1959 will be a big year for truckers — Dec. 5 46
What the business snapback means, to oil, Pt. 1, Nov. 14-46, Pt. 2, — Nov. 21 52

Trinidad
*Dominion Oil agrees to pay bonus for oil rights — Oct. 24 44
*Texaco affilates plan two refinery expansions — Oct. 17 53
*Wildcat believed deepest ever drilled from a floating barge abandoned as dry — Nov. 14 110

Turkey
American Overseas Petroleum tests find oil — Oct. 17 50
*Bolsa Chica Oil Corp. preparing to drill second wildcat — Sept. 19 82
*Mersin will be site of new refinery — July 18 79
Pipeline transit agreement with Iran signed — Oct. 24 6
*Tidewater Oil expects to spud second wildcat — Dec. 5 63
Tuttle, John B. - Customer queries: a sales reservoir for Esso Standard — July 25 15

U

United Arab Republic
*Atlantic Refining will "press rigorously to protect its interest" in Syrian Oil discovery — Nov. 21 37
Cairo outlines five-year oil plans — Nov. 28 31
United Nations' ECAFE - Private oil capital is best meeting told — Dec. 26 27
U.S. Geological Survey - *Approves several new units in Rocky Mountains — July 11 44
University of Wyoming - *Establishes petroleum history and research center — July 4 26

Utah
Aneth area - tighter controls on tap — Dec. 5 20
*Aneth area - may issue a lease-by-lease ratable take order to protect against drainage in Aneth area — Nov. 28 6
Aneth area producers willing to sell gas now and argue price later — Nov. 14 10
Aneth area will limit oil output to specific gas-oil ratios — Dec. 12 6
Aneth field - Interior Dept. studying its order to suspend production — Nov. 7 22
*Aneth hearings postponed 6 months — Aug. 22 22
Aneth shutdown caused by gas flaring — Oct. 17 12
Aneth shutdown, ordered by Interior Dept. of oil production on Indian and federal leases may be avoided — Oct. 17 6
*Conservation laws may come up for review — Nov. 21 12
Economics - It's not hard to kill a goose (ed) — July 11 96
Electronic control system for Red Wash field — Dec. 19 26
*Legislative Council draws revised schedule for royalties — Nov. 21 28
Ranks high as Rocky Mountain producer — July 11 43
*Ratable take laws proposed — Aug. 22 22
*RMOGA urges stronger drainage law — Dec. 26 22
TGT's No. 1 U.S.A. Poison Springs - wildcat may open big new area — Oct. 24 22
U.S. flexes its conservation muscles — Oct. 31 9

V

Venezuela
Barinas flood-season drilling planned — Dec. 19 46
Betancourt bars politics in oil — Dec. 19 44
Betancourt, Romulo elected president — Dec. 12 6
*Construction schedules will be advanced by Creole Petroleum to help combat unemployment — Aug. 8 43
*Creole Petroleum's fourth big gas injection plant in Lake Maracaibo moved ahead — Aug. 29 31
*Creole Petroleum's Quiriquire Field passes 500-million-bbl mark — Sept. 26 49
*Crude output — Oct. 10 48
*Diez, Dr. Julio succeeds Dr. Carlos Perez de la Cova as Minister of Mines & Hydrocarbons — Nov. 28 33
Election holds key to oil policy shifts — Oct. 31 28
*First acreage relinquished from 1956-57 crop of concessions turned back to government by Creole Petroleum Corp. — July 11 72
*Government accepts invitation to participate in Pan-Arab Oil Congress — Sept. 5 50
Government probe clears grants — Aug. 8 41

*Short News Item, (ed)Editorial

*Hoard Exploration Co. buys controlling interest in Talon Petroleum — July 18 79
Home and office in one oil center in Maracaibo — Sept. 12 52
Lake Maracaibo - big climb starts in output — Dec. 12 48
*Lake Maracaibo Block 17 - initial oil production found by eight-company group — Oct. 31 32
Lake Maracaibo - new mud plant completed (pic) — Oct. 10 47
*Lake Maracaibo - Sun Oil-Atlantic-Texaco-Seaboard group completes another pair of producers — Oct. 3 73
*Lake Maracaibo Block 1 - two new dual producers — July 25 45
*Mene Grande Oil Co.'s Puerto La Cruz terminal capacity boosted — July 11 74
Mexico's Gen. Cardenas will visit Venezuela — Oct. 24 43
Moderates may claim extremist sentiment — Aug. 22 12
*New producers help break output drop — July 25 45
Oil labor speaks up — Aug. 15 11
*One-year- $10-million "compensated trade agreement" to exchange oil for Argentine goods approved — Sept. 19 82
*Overhauls petrochemical policy — Sept. 12 53
*Phillips Petroleum announces second discovery on Lake Maracaibo Block 17 — Dec. 5 63
*Phillips Petroleum new low-gravity oil pool in Temblador area Oct. 3-73 — Dec. 12 52
Political crisis brewing again — July 25 6
Retroactive tax on oil changes 50-50 to 60-40 — Dec. 26 11
*Second Gulf of Paria offshore wildcat abandoned — Oct. 31 32
*Shell surrenders concessions along Colombian border — Aug. 8 42
*Signal Oil & Gas completes fifth exploratory well — Aug. 8 52
*Signal Oil & Gas group plans to concentrate drilling on Lake Maracaibo Block 4 — Oct. 3 73
*Sun Oil group surrenders Colombian border acreage — Oct. 31 32
Tanker fleet planned — Aug. 22 44
Tax action prompts informal protest from U.S. State Dept. — Dec. 26 6
*3,700-acre farmout on Lake Maracaibo from Creole Petroleum taken by Superior Oil — Oct. 3 16
Two-day general strike highlights rise of labor as potential political force — Sept. 12 6
Unions gain importance — Aug. 29 29
Unions slate oil talks — Aug. 1 70
*U.S. independents will decide this week whether to buy out Cecil Hagen's controlling interest in Talon Patroleum — July 4 36
U.S. State Dept. conferring on oil imports situation — Dec. 19 13
U.S. still keeping close watch on political troubles — Aug. 1 18
*Venezuelan Gulf Refining bring Puerto La Cruz plant up to 115,000 b/d — Oct. 17 53
Washington fearful of more political unrest — Oct. 24 15
Washington sees political situation as moderate — Dec. 19 18

W

Washington - *Underground storage of natural gas — Aug. 29 26

Water Pollution
*Arkansas Water Pollution Control Comm. orders five-year program to stop water pollution of Ouachita River — Oct. 24 25
*Kentucky oil boom runs into pollution problem — Dec. 26 12
*Legislation imposing heavier penalties in Texas predicted — Nov. 28 25
New ways to handle brine — Dec. 12 22
Shell Chemical gets new waste disposal unit at Houston (pic) — Sept. 12 34

Water Supply
Colorado - government may have problem with water supply in oil shale area — July 18 18
Fresh water from sea water for offshore operations a distinct possibility — Aug. 29 20
Government pushing study of nuclear-powered salt water conversion system — July 25 18
*New Mexico - work underway on network of asbestos-cement drainpipe to protect water supply of Hobbs from salt water from oil field — Sept. 5 30
Sewage can aid water-short areas — Nov. 28 26

Water Treatment
Air invades process stream cooling — Dec. 19 36
New ways to handle brine — Dec. 12 22

Wyoming
*Bridger Hill unit approved — Nov. 7 33
*Carter Oil Co.'s Meridian Ridge unit approved — Sept. 19 37
Cottonwood Creek field pressure maintenance program — Aug. 29 22
Dead Horse Creek: Mesaverde key — Nov. 28 18
*El Paso Natural putting together Bridger Hill Unit, one of the largest gas-exploration units — Aug. 1 32
Green River Basin comes into its own — Nov. 21 22
Leases see subject heading Leases
*North LaBarge deep unit approved — Aug. 15 31
*Pomeroy Ranch Unit, approved by U.S. Geological Survey — July 25 31
*Production-related taxes under fire — Sept. 5 30
*Spread Creek Unit approved — Aug. 1 32
*Trading stamp ban pushed by two towns — Aug. 22 47

Y

Yamashita, Taro - President of Arabian Oil Co. ponders Mideast future for Japan — Aug. 29 30
Yemen - Rumanian-Yemeni aid pact - Rumanians due for concessions — July 25 44
Yugoslavia - *Government setting its sights on boost in crude production — Oct. 3 73

Company Index

ACF Industries - Storage tanks float for 1,100 miles (pic) — Sept. 5 38
Abu Dhabi Marine Areas Ltd. - *Will drill further appraisal wells in Persian Gulf — Sept. 12 53
Aero Service Corp. - With aerial surveys changes in 'pitch' aid oil search — Dec. 19 16
Agip Mineraria - *Gets first Morocco grant — Aug. 1 71
Italians take U.S.-built platform to Iran — Dec. 5 61
Moving to third location in Somalia — Oct. 3 71
Alaska Consolidated Oil Co. - *Buys tract from Havenstrite Oil Co. — Aug. 29 23
Alaska Oil & Mineral Co. - *"Crash program" to develop oil potential a must — Aug. 1 16
Alaskan-Yukon Refiners & Distributors, Ltd. - *Awards contracts for a product separation and treating plant and a marine terminal — Nov. 14 54
Alberta Natural Gas Co. - *Will be formed to operate single line from Alberta border to U.S. to be built by Westcoast Transmission and Alberta & Southern Gas — Oct. 17 16
Alberta & Southern Gas Co. Ltd. - *Asking permission for gas-export line — Dec. 19 42
Canada-California gas route seems set — Oct. 24 40
*May be asked to get together with Westcoast Transmission on single line to transport gas to U.S. West Coast — Sept. 19 18
*May turn over some contracted reserves to Trans-Canada Pipe Lines — Oct. 24 14
*Will join Westcoast Transmission Co. in building single line from Alberta border to U.S. — Oct. 17 16
Alberta Underground Storage, Ltd. - *42-million-gal LPG underground storage cavern planned for Hughenden, Alta. — Nov. 21 48
Almos Gas Gathering System, Ltd. - *System tied in with United Gas Pipe Line Co. system — Dec. 19 42
Altex Oils, Ltd. - *New Superior Oils of Cartada will purchase assets — Sept. 19 38
Ambassador Oil Corp. - *Authorized to install ATC equipment in Caprock Queen Pool, N.M. — Oct. 31 20
*Negotiations for oil concession in Ireland progressing — Oct. 10 47
New oil bids overlap in Morocco — Oct. 17 52
Amerada Petroleum Corp. - *Chicken Creek, Lincoln County, Wyo. approved — Sept. 5 30
*Enters into exploration program with Ohio Oil in Canada's Yukon and Northwest territories — Dec. 5 37
American Agile Corp. - Mini-Vap - new tools help refiners fight evaporation losses — July 11 57
American Bitumuls & Asphalt Co. - "Morania Abaco" - special tanker for asphalt — Nov. 28 35
American Can Co. - *Revamps pricing to meet growing competition in packaging field — Nov. 28 37
American Chemical Corp. - *Plans chlorinated hydrocarbons plant somewhere in Southern Calif. — Aug. 22 37
American Eagle Corp. - *Sunset International Petroleum acquires additional oil production in Calif. — Aug. 29 23
American Gilsonite Co. - *Completes first year of producing gasoline and coke from Gilsonite ore — Sept. 5 35
*Finalized plans for expansion of Gilsonite refinery at Grand Junction, Colo. — Nov. 21 45
*Refinery at Fruita, Colo. back on stream after ten-day forced shutdown — Aug. 1 74
*Using gilsonite to make cold bituminous road paving concrete — Aug. 29 35
American Hydrocarbon Corp. -*Buys 18 producing wells in DeLong field area, Tex. — Oct. 24 26
American Independent Oil Co. - *Dunaway, D.C. - new president — Sept. 19 18
*Expansion of export facilities in Neutral Zone completed — Oct. 24 44
American Natural Gas Co. - Panhandle Eastern Pipe Line's request to cut off sales to Detroit subsidiary - decision near on gas pipeline's right to abandon service — Aug. 8 14
American Oil Co. - *Closing down refinery at Destrehan, La. — Nov. 14 25
Portable prefab service station — Dec. 5 58
*Reorganizing marketing department — Dec. 19 48
*Seeking jobs for employees of Destrahan, La. refinery, being closed — Nov. 21 12
*To try new portable service station — Oct. 3 85
American Overseas Petroleum - Turkey tests find oil — Oct. 17 50
American Petrofina, Inc. - *Expanding branded products with new All-Purpose Lithium Grease — Dec. 5 59
Gasoline cart service — Dec. 26 32
*Introduces its own line of branded motor oil — Oct. 3 85

*Opens four new district marketing offices ... Aug. 15 48
*Reportedly buying groups of private-brand stations in Gulf Coast area ... Aug. 22 47
Amoco Chemicals Corp. - *Enlarging laboratories at Seymour, Ind. ... Nov. 21 44
*Producing developmental quantities of trimellitic anhydride - a new aromatic acid ... Sept. 12 38
*Union Carbide buys remains of Brownsville, Tex. synthetic-fuels-from-natural gas plant ... Dec. 12 38
Amoco Trading Corp. - *Formed to complement activities of Pan American International ... Dec. 12 6
Anchor Petroleum Co. - *Acquires controlling interest in Petrolane Gas Co. and its subsidiaries ... Oct. 3 85
Anderson-Prichard Oil Corp. - *Ashland Oil & Refining Co. buying Ohio solvents and chemical marketing system ... July 18 16
*Cuts in crude runs announced ... Aug. 29 15
Anlin Co. - *Will build sulfur-from hydrogen sulfide plant adjacent to Shell Oil Co.'s Wood River, Ill. refinery ... Sept. 26 43
Ansul Chemical Co. - Special school for fire-fighters at Marinette, Wis. plant ... Sept. 12 41
Arabian American Oil Co. - Onassis dispute with Saudi Arab government - The Soverign 'right' to welch? W.M. Jablonski ... Sept. 12 14
Reactor column from Germany - Equipping oil overseas - report ... Aug. 1 54
Reorganization of board membership ... Oct. 31 31
Arabian Oil Co. - *Assured of government aid to help finance Neutral Zone offshore oil venture ... Dec. 12 52
Kuwait-Jap pact plays down integration ... Aug. 1 69
*Neutral zone survey work, July 18-78, ... Aug. 15 44
Seeking government loan for Neutral Zone offshore venture ... Nov. 21 35
Yamashita, Taro ponders Mideast future for Japan ... Aug. 29 30
Arapahoe Pipe Line Co. - *Justice Dept. charges company paid excessive dividends to parent ... Oct. 17 16
Arkansas Fuel Oil Corp. - *Sells Central Tex. marketing facilities to Phillips Petroleum ... Oct. 10 43
Unique offshore rig is designed ... Oct. 10 21
Arkansas Industrial Pipeline Corp. - *New subsidiary of Arkansas Louisiana Gas Co. ... Dec. 5 44
Arkansas Louisiana Chemical Corp. - *Will take over operation of chemical facilities of Pine Bluff, Ark. arsenal from the Army Nov. 1. ... Aug. 15 34
Arkansas Louisiana Gas Co. - *Forms new pipeline subsidiary ... Dec. 5 44
*Plans $15-million expansion within Arkansas ... Nov. 14 102
*Will extend transmission system from Peria, Ark. to Helena, Ark. ... Aug. 15 39
Armstrong Siddeley Motors, Ltd. - *Clark-designed gas turbines will be manufactured in Great Britain ... Sept. 19 37
Asamera Oil Corp. Ltd. - *City of Medicine Hat may buy Etzikom gas field and its connecting pipeline system ... Oct. 24 40
Ashland Oil & Refining Co. - *Buying Ohio solvents and chemical marketing system of Anderson-Prichard Oil Corp. ... July 18 16
Vacuum distillation unit at Canton, Ohio refinery (pic) ... Aug. 15 34
Atas Co. - *Mersin will be site of new refinery in Turkey ... July 18 79
Atlantic Refining Co. Automation: Key to future strength ... Oct. 31 18
Engineer urges wider spacing ... Oct. 24 20
*Expanding tanker docks for Philadelphia refinery ... Dec. 5 44
50,000-ft wells predicted by 1975 ... Nov. 21 20
*First wildcat in Peten province, Guatemala, to be spudded next spring ... Nov. 21 37
Gas-water injection has big future ... Dec. 19 28
Magnolia field, Ark. - tough waterflood scores big success ... Oct. 24 16
More rock study urged ... Dec. 26 21
New ways to handle brine ... Dec. 12 22
Octafining makes one isomer from four ... July 4 30
Recovery hinges on fluid sweep says Ben H. Caudle ... Dec. 5 32
Stiff, H. A. Jr.- corrosion hits producers hardest ... Sept. 12 15
*Syrian find looks commercial ... Nov. 28 19
*Venezuela's Lake Maracaibo Block 1 - two new dual producers ... July 25 45
*Will "press rigorously to protect its interest" in Syrian oil discovery ... Nov. 21 37
Atlantic Seaboard Corp. - *FPC authorizes $2.5-million worth of loops in West Va. and Va. ... Oct. 17 37
Atlas Corp. - Agreement reached between U.S. group and Argentina on $800-million oil development plan ... Oct. 17 6
Aurora Gasoline Co. - *Detroit refinery strike ends ... Sept. 5 15
Ausonia Mineraria - Foreign groups to speed Sahara hunt ... Sept. 12 13
Australasian Petroleum - *Formation of new company proposed to search for oil in Papua ... Oct. 24 44
Avondale Marine Ways, Inc. - Prefabs with a new slim look (pic) ... Dec. 26 33
Axelson Mfg. Co. - *Double piston surface hydraulic pumping unit for dual zone operation ... Oct. 17 30
Azienda Generale Italiana Petroli - *Hydrofiner and sulfuric acid recovery plant will be built at Porto Marghera refinery ... Aug. 1 74
Babcock & Wilcox Co. - Stainless steel tubing - Equipping oil overseas - report ... Aug. 1 60
Bakelite Co. - *Union Carbide Plastics Co. - new name ... Nov. 7 104
Baker Oil Tools, Inc. - *Henderson, Roy W. dies ... July 4 13
Bandini Petroleum Co. - *Acquires jointly the properties of W. J. Cox with Hamilton Dome Oil Co. ... Aug. 29 23
Battelle Memorial Institute - Vibratory drilling - is it worthwhile? ... Sept. 26 24
Bay Refining Co. - *Will build hydrofluoric acid alkylation unit at Bay City, Mich. refinery ... Oct. 3 79
Bayview Oil Corp. - *Acquires 15 wells from S. D. Johnson ... Dec. 12 31
Beaver Lodge Oil Corp. - *Dallas Oil makes merger proposal ... Nov. 21 28
Bechtel Corp. - *Will build processing and pipe installations for Esso's proposed refinery in Norway ... Dec. 12 52
Bechtel International - Colley, George - first oil industry casualty in Iraq ... July 18 6
Beck-Hill, Inc. - Suspension drilling tool helps cushion drilling shocks ... Oct. 10 24
Becker Oil Co. - *Will revive Montana's Bannatyne field with new drilling program ... Oct. 31 21
Belco Petroleum . *Operator of newly approved Emigrant Springs Unit, Wyo. ... Aug. 1 34
Belfer Natural Gas Co. - *North LaBarge deep unit in Wyo. approved ... Aug. 15 31
Benedum, M. L. - French Africa - first test underway east of Abijdan ... Sept. 19 78
Benedum-Trees Oil Co. - French Africa - first test underway east of Abidjan ... Sept. 19 78
Benson & Montin Construction Co. - *Will extend Iran's products line to Caspian Sea ... July 25 45
Berger Bros. Co. - Deflatable housing takes to the air ... Sept. 12 24
Bethlehem Steel Corp. - Merger with Youngstown Sheet & Tube Co. barred ... Nov. 28 7
Big Chief Drilling Co. - *Taking first foreign work in Bolivia ... Oct. 31 32
Billups Eastern Petroleum Co. - *Organized as subsidiary of Billups Petroleum Corp. ... Aug. 15 48
Bishop Oil & Refining Co. - *Abandons plans to build refinery northwest of Phoenix, Ariz. ... Aug. 15 34
Bluebonnet Oil & Gas Co. - *Waterflood project for East Bryson field, Tex. approved ... Nov. 7 33
Bolsa Chica Oil Corp. - *Preparing to drill second wildcat in Turkey ... Sept. 19 82
Boni, Watkins, Jason & Co. - Margin changes indicate that inland refiners must integrate ... Aug. 15 11
Bowman, N. D. - *New type of electric bottomhole heater developed ... Oct. 17 30
Brantly Drilling Co. - *Awarded contract to drill in Alagoas, Brazil ... Nov. 28 33
Bridwell Oil Co. - *Texas RR Comm. approves unitization plan for West Leurders field ... Aug. 8 29
Britala Petroleums, Ltd. - *Gas starts moving to consumers from Alberta's Many Island Lake field ... Sept. 19 37
British American Oil Co., Ltd. - *Alberta wildcat hailed as significant find ... Sept. 12 15
*Asphaltic crude from western Canada being moved by Interprovincial Pipeline to eastern Canada ... Dec. 26 12
*Expanding marketing operations to Yukon ... Aug. 8 45
*Expands facilities at Seven Islands, Quebec, terminal ... Nov. 28 35
*Formal opening of a refinery and natural gasoline plant, and completion of catalytic reforming unit ... Sept. 12 38
Gas find may be Canada's biggest ... Sept. 19 32
*Line fill begun on Alberta Gas Trunk Line that will link Trans-Canada gas with its largest supply field ... Oct. 3 83
Pincher Creek, Alberta, gas processing plant - Signaling a start (pic) ... Oct. 24 13
*Plans new Canadian terminal ... Aug. 1 47
Port Moody, B.C. refinery and Pincher Creek, B.C. processing plant - B-A bets heavily on Western Canada ... Oct. 17 42
British-American Producing Co. - *Soread Creek Unit, Wyo. approved ... Aug. 1 32
British Petroleum Co. - *Agreement with Sinclair Oil to supply and market crude in Western Hemisphere ... Oct. 31 13
*Forms new tanker subsidiary BP Clyde Tanker Co. ... Sept. 19 90
*Group of oil companies setting up permanent weather-forecasting system in Persian Gulf ... Oct. 10 47
*Hydrofiner and sulfuric acid recovery plant will be built at Porto Marghera refinery ... Aug. 1 74
Iraq wants to export newly acquired oil ... Nov. 28 32
*Joins Australia oil hunt ... Dec. 26 29
*May wind up with contract for exploration instead of its own concession in Canton of Fribourg, Switzerland ... Sept. 26 49
*Oil strike in Papua ... Nov. 14 110
Papua oil plans revamped ... Nov. 21 36
Persian Gulf test off Abu Dhabi looks good ... July 18 77
Push-button loading at Kent refinery (pic) ... Oct. 3 73
Refining start in Canada - small, simple ... Oct. 10 32
*Ruhr refinery work starts ... Nov. 28 33
*Sale of jointly-owned Haifa refinery will complete withdrawal from Israel ... Nov. 28 33
Sinclair-BP: a new competitive force W. M. Jablonski ... Nov. 7 19
*Spudding first deep-test in Malta ... Sept. 5 50
Surveys near site of Libya dry test (pic) ... July 4 35
"Wide-scale" geological survey under way in Somaliland ... Oct. 3 72
BP Benzin-und Petroleum Gesellschaft - A flying saucer? Nope, a gas station (pic) ... July 4 33
BP Canada, Ltd. - *Expects to be operating more than 400 service stations in eastern Canada by the end of the year ... Aug. 29 36
Refining start in Canada - small, simple refinery at Ville d'Anjou ... Oct. 10 32
BP Clyde Tanker Co. - *New company ... Sept. 19 90
BP Soc. des Petroles de Valence - *Asks new Sahara oil rights ... Dec. 12 52
BP Tanker Co. - *New hydraulic fender eases tanker berthing ... Sept. 12 42
British Refinery Constructors - *Will supply equipment for projected refinery near Rio de Janeiro ... Aug. 29 31
Brown & Root, Inc. - Pipe yard in Venezuela - Equipping oil overseas - report ... Aug. 1 59
Special laying barge M-211 lays big-big-inch 14-mi. gathering system for Creole Petroleum in Lake Maracaibo (pic) ... Aug. 15 38
Burns Brothers Oil Co. - New York terminal planned to handle heating oil for Long Island market ... Sept. 5 38
Byron Jackson Tools, Inc. - *New line of tubing swabs ... Aug. 8 30
Cabot Carbon Co. - *Begins preliminary work toward construction of natural gasoline plant south of Glenrock, Wyo. ... Aug. 22 37
*Gas processing plant near Glenrock, Wyo. expected on stream next month ... Dec. 12 38
Calcasieu Chemical Corp. - *First shipment of ethylene glycol from newly completed plant at Lake Charles, La. ... Oct. 10 35
California Co. - *Planning to drill off Florida depending on outcome of dispute as to who owns offshore lands ... Aug. 15 26
California Research Corp. - Are higher octanes justified? ... Aug. 22 34
Pilot plants cut catalyst testing costs ... Aug. 15 32
California Texas Corp. - *Plans to spend $30-million on four new tankers ... July 4 28
California Transport Corp. - *Will supply equipment for Rio De Janeiro refinery ... Aug. 22 46
Caltex, Inc. - American Overseas Petroleum - Turkey tests find oil ... Oct. 17 50
*Loads first crude from Indonesia at new ocean terminal at Dumai ... July 18 16
Rotterdam-Ruhr pipeline start (pic) ... Sept. 26 49
Royal Dutch Shell joins Caltex oil hunt in Australia ... Nov. 7 107
Caltex (Philippines) Inc. - Brewery helps fuel record flight (pic) ... Dec. 19 48
Caltex-Socony - Refinery at Sidon put back on stream after four-week shutdown ... July 4 35
Calvert Drilling Co. - *Purchases drilling assets of Mercury Drilling Co. ... Oct. 31 20
Calvin, Olin - *Will waterflood lease, D. L. Wolf Estate, Tex. ... Sept. 12 26
Camco, Inc. - *Planning to manufacture oil equipment in northern Ireland for export ... Oct. 17 53
Camelot Nominees Pty. Ltd. - *Papua oil find virtually assured ... Nov. 28 33
Cameron Iron Works, Inc. - *Single-string, solid block Christmas tree ... Aug. 15 31
Canada-Cities Service Petroleum Corp. - *Exercising option on an undivided one-half interest in tract on Southwest Innisfail Devonian Reef trend, Alberta ... Oct. 17 28
Canadian Delhi group - Foreign groups to speed Sahara hunt ... Sept. 12 13
Canadian Delhi Oil Co. - *Releases details of participation in latest Sahara grants ... Sept. 26 49
Canadian Export Gas & Oil Ltd. - *Completes gas liquids recovery plant and gathering dehydration system in Steveville area of Alberta ... Nov. 28 28
Canadian Fina Oil, Ltd. - *Cycling project set for Alberta field ... Aug. 15 26
Canadian Huskey Oil Co. - Freezeup opens Canada's far Northwest to record exploration ... Dec. 26 16
*Yukon tests scheduled ... Nov. 21 33
Canadian Industries, Ltd. - Anhydrous ammonia from plant at Milhaven, Ont. used mostly for fertilizers - Petrochemicals report ... Sept. 19 57
Canadian Superior Oil Co. - Freezeup opens Canada's far Northwest to record exploration ... Dec. 26 16
*Yukon tests scheduled ... Nov. 21 33
Canadian Tire Corp. - *Opening ultramodern Toronto station ... Nov. 28 37
Canbridge Corp., Ltd. - *Buys drilling equipment of Devon Drilling Co. ... Nov. 7 32
Canso Natural Gas, Ltd. - *United Canso Oil & Gas, Ltd. formed by merger of Canso Natural Gas and Canso Oil Products ... July 18 34
Capital Gas Pipeline Co. - *Formed to build mainline from terminal in West Central Tex. to Austin ... Sept. 12 15
Carnegie Natural Gas Co. - World's largest gas transmission line ready by '59 ... July 11 60
Carter, James E. - No. 1 John S. Utley, outpost success boosts Illinois' Omaha area ... Nov. 28 19
Carter Oil Co. - *Converting bauxite desulfurizer into a naptha distillate Hydrofiner ... Sept. 26 43
*High bidder at Montana lease sale ... Oct. 24 25
*Meridian Ridge unit, Wyo., approved ... Sept. 19 37

*Short News Item, (ed)Editorial

General Electric Co. - 'Air-lubrication' won't KO lubes ... Aug. 29 34
General Gas Corp. - *Bainbridge, Ga. terminal will increase LPG storage capacity by 50% ... July 25 43
General Motors Corp. - *Allison div. well advanced in production planning for heavy-duty gas turbine engine ... Oct. 24 34
General Petroleum Corp. - *Acquires Mahala oil field, Calif. ... Dec. 5 37
California fireflood works, but proves costly ... Aug. 29 19
Deeper drilling revives old California lease ... Aug. 8 20
House organs speak more boldly ... Oct. 10 15
*Increasing imports of Canadian crude ... Dec. 19 17
*Places order for West German drilling rigs ... Nov. 21 37
General Tanker Corp. - First Taiwan-built tanker due soon (pic) ... Dec. 12 43
General Tire & Rubber Co. - Styrene and butadiene reacted at Odessa, Tex. plant to make SBR synthetic rubber - Petrochemicals report ... Sept. 19 69
Geophysical Service Inc. - Geophysical gear - Equipping oil overseas - report ... Aug. 1 50
'Going foreign' is a complicated step ... Aug. 8 22
Getty Oil Co. - *Watching for chances to buy marketing interests ... Nov. 21 37
Gewerkshaft Erdoelraffinerie Emslamd *Lingen refinery planned ... July 18 79
Gilbert & Barker Mfg. Co. - New oil burner: low cost plus efficiency ... July 4 32
Ginther, Warren & Co. - No. 1-A O.W. Killam - Deep drilling: report ... Oct. 3 40
No. 1-A O.W. Killam - second Edwards deep test near goal? ... Sept. 5 19
*No. 1-A O.W. Killam - Pescadito Dome test is abandoned ... Oct. 10 26
Geodimeter Co. - *Surveying instrument ... Oct. 10 31
Getty Oil Co. - Starts refining in Italy ... Oct. 3 72
Glasscock-Tidelands, C.G. Oil Co. - *Murmanill Corp. acquires control ... Oct. 24 26

Glasscock-Wilson, Inc. - *Now the Fred Wilson Drilling Co. ... July 18 34
Glenn, A. H. & Associates - Study aids offshore safety ... July 11 38
Goodenow Co. - *FTC agrees to consent order to stop company from misrepresenting gasoline and oil additives ... Sept. 12 49
Goodrich, B. F. Co. - *D. J. Harmon says only "facts of economics" prevent widespread use of atomic radiation for vulcanizing rubber ... Oct. 3 79
Grace, W. R. & Co. - *Davison Chemical Div. - mullite pellets for catalyst support available ... Oct. 10 35
Grand Central Rocket Co. - *Controlling interest transferred to Petro-Tex Chemical Corp. by TGT ... July 11 58
Graridge Corp. - *ACT on North Caprock-Queen No. 1 Unit, N.M. authorized ... Aug. 1 32
*Mar-Tex Oil & Gas stockholders expected to approve transfer of assets to Graridge ... July 4 25
Great Lakes Pipe Line Co. - Pipeline fire-fighting gets specialized - special school at Ansul Chemical Co. ... Sept. 12 41
Great Western Oil & Gas Co. - *Buys nine producing wells in Oklahoma from Seminole Oil & Gas Corp. ... Sept. 26 35
*Controlling interest acquired by group of investment bankers ... July 4 25
Griscom-Russell Co. - Units for fresh water from sea water ... Aug. 29 20
Gulf Interstate Gas Co. - *FPC approves expansion program ... July 11 67
Gulf Oil Corp. - *ACT on lease in Texas Panhandle approved ... July 18 34
*Acquires 50% interest in Union Oil's Costa Rica rights ... Aug. 1 71
Active interest in politics - A bold step, well taken (ed) ... Sept. 19 110
'Active politics' plan creates a stir ... Nov. 7 17
*Asks Alabama Oil & Gas Bd. for permission to recomplete seven wells in Citronelle field ... Sept. 19 37
*Begins construction of bulk plant on Mississippi River at St. Louis ... Dec. 12 46
Cuts crude prices in 25 Delta, La. fields ... Aug. 1 6
50 years in pipelining - there've been some changes made ... Aug. 8 38
House organs speak more boldly ... Oct. 10 15
*Indiana Standard move will bring 50% interest in Mozambique concession ... July 25 45
*Kerr-McGee will receive interest in prospecting license in return for drilling No. 1 Gulf Morgan Lewis, Barbados ... July 18 79
*Loses classification as a "citizen company" as defined by Shipping Act of 1916 ... Sept. 5 40
Moving the operating headquarters of domestic production activities from Pittsburgh to Houston ... Oct. 17 6
*Natural gas discovery in Sicily ... Nov. 14 110
New department for buying and selling crude outside U.S. ... Aug. 29 6
*Philippines refinery approved by National Economic Council ... Sept. 19 82
Prefabs with a new slim look (pic) ... Dec. 26 33
Proctor, David elected chairman of the board; R. O. Rhoades chosen to succeed him as executive vice-president ... Sept. 26 6
*Russian oil will displace oil from Shell and Gulf oil in Finland ... Nov. 14 112
*Seeking approval of plans to waterflood acres in Waddell field, Tex. ... Nov. 21 28
*Sets up new supply and scheduling division to handle domestic product supply ... Dec. 19 49
Tanker collision pinpoints control problem (pic) ... Aug. 15 12
Threatens to pull out of the voluntary imports control plan ... Sept. 19 10
*Worldwide crude production up ... Dec. 12 12
*Worst effects of 1957-58 recession on oil industry "appear over" according to W. L. Naylor ... Nov. 21 12
Gulf Refining Co. - Ostrica, La. - fastest oil loading terminal in U.S. ... Aug. 29 25
*Pasotex Pipe Line buys Scurry County, Tex. crude gathering system ... Sept. 5 40
*Scurlock Oil buys Tex. crude gathering system ... Oct. 17 39
Gulf Research & Development Co. - Improved water shutoffs for air/gas drilling being developed ... Oct. 10 22

Hagestad Drilling Co. - *Will drill holes for AEC at Nevada testing ground ... Aug. 15 31
Halasko - *Halbouty, Michel T. announces formation ... Sept. 5 30
Halbouty Alaska Oil Co. - *First well in Alaska will be drilled on Kenai Peninsula ... Oct. 24 25
Halbouty, Michel T. - Alaska: 9 big targets for oil hunters ... Sept. 19 24
*Announces formation of Halbouty Alaska Oil Co. to be known as Halasko ... Sept. 5 30
Halliburton Oil Well Cementing Co. - New density meter is fast, accurate ... July 4 20
Hamill, Claud B. - *Acquires Lion Oil's nonproducing acreage in East Texas ... Nov. 14 42
*Buys undeveloped East Texas acreage held by Lion Oil ... Dec. 26 22
Hamilton Dome Oil Co. - *Acquires jointly the properties of W. J. Cox with Bandini Petroleum Co. ... Aug. 29 23
Hammond Iron Works - Hammondflote Plastic Cover - new tools help refiners fight evaporation losses ... July 11 55
Hamon, Jake L. - *Will be first recipient of of Carl A. Young Memorial award at API annual meeting ... Nov. 7 20

*Short News Item, (ed)Editorial

Hancock Oil Co. - Benefits seen in planned merger with Signal Oil & Gas ... Sept. 19 16
Considering expanding Los Angeles refinery ... July 25 39
*Major eastern oil company drops plans to buy Hancock ... July 4 13
*Will redesign its refinery tankage ... Aug. 1 74
Hardy-Griffin Engineering Corp. - *Develops high-strength tubing joint with a newly-designed thread form that permits reduction in joint size ... Nov. 14 42
Hartol Petroleum - Acquired by Tennessee Gas Transmission ... Sept. 12 6
Havenstrite Oil Co. - *Alaska Consolidated Oil buys tract ... Aug. 29 23
Hellenic Shipyards Co., Ltd. - *New shipyard at Scaramanga, Greece ... July 11 67
Hess, Inc. - *Truck drivers return to work after nine week strike ... Sept. 12 45
World's largest barge (pic) ... Nov. 14 96
Hess Trading & Transportation Co. - *"Biggest barge" will supply refinery ... Nov. 7 90
*Refinery at Sewaren, N.J. will go on stream in Nov. ... Aug. 22 13
Higgins, Inc. - Personnel boat is made of aluminum (pic) ... Dec. 12 31
Hoard Exploration Co. - *Buys controlling in Talon Petroleum ... July 18 79
Home Oil Co., Ltd. - Crude line from Swan Hills oil field to Edmonton, Alberta set ... Aug. 8 10
Testing electronic well control system in Alberta's Turner Valley field ... Sept. 19 30
Honolulu Oil Corp. - *Asks Texas RR Comm. of approval of unitization agreement and pressure maintenance program for Cope field unit ... Oct. 17 28
Engineer says acid stimulation of a fractured shale zone can be successful operation ... Oct. 24 18
Houdry Process Corp. - *Announces new catalyst for producing odorless urethane foams ... Oct. 17 48
*New Houdriforming catalyst introduced ... Aug. 15 34
Houston Corp. - *Texas-to-Florida pipeline construction to start ... Sept. 5 15
Houston Oil Field Material Co. - Hydraulic rig nearing production ... Aug. 15 24
*New packer developed ... July 4 26
*Opens servicing depot in Alaska ... Nov. 7 32
President George O'Leary dies ... Dec. 19 14
*Richmond, Frederick W. buys major interest in company ... Sept. 19 18
Houston Pipe Line Co. - "Winch-up" pipeline crossings come to the Gulf Coast (pic) ... Aug. 22 38
Houston Texas Gas & Oil Corp. - *Texas-to-Florida line hits right-of-way snag ... Dec. 26 31
*Texas to Miami, Fla. natural gas line construction to begin next month ... Aug. 29 26
Howe-Baker Engineers, Inc. - *Being acquired by National Aluminate Corp. ... Oct. 3 78
Howell & Howell et al - No. 1 Andarko Basin - Deep drilling: report ... Oct. 3 40
Oklahoma test keeps breaking records - Caddo County, No. 1 Anadarko Basin ... Aug. 1 26
Hudson Engineering Corp. - Licenses "Townsend Process" - new gas process with three way value ... Sept. 26 38
Hudson's Bay Oil & Gas Co., Ltd. - *Cycling project set for Alberta field ... Aug. 15 26
Hudson, W. J. - *Unprofitable well drilled in Wise County, Tex. - field named "Unwise" ... Oct. 3 30
Hughes Tool Co. - Commended for research (pic) ... Oct. 3 27
Lab unit aids bottomhole research ... Dec. 12 20
Humber Oils, Ltd. - *Pacific Petroleums, Ltd. offers to exchange shares ... Sept. 5 30
Humble Oil & Refining Co. - *ACT approved for Texas lease ... July 18 34
*California tidelands lease approved ... Oct. 24 25
*Davis, Morgan points out Alaska has big oil potential but expense of developing it will be big, too ... Sept. 5 15
Davis, Morgan J. tells why U.S. production outlook is still bright at API meeting ... Nov. 21 27
*Drilling equipment too big for the job says two engineers ... Sept. 26 34
Given permission to build largest gas processing and cycling plant in America ... Sept. 19 10
*King Ranch gas processing and recycling plant - Dec. 15 deadline for bids for design and construction ... Oct. 31 26
*Nails fact sheet on Alexandria, Va. price-fixing indictment ... July 25 16
Miscible test shows improved recovery on Seeligson field experimental program ... July 11 24
No. 1 Bear Creek - Alaska: interest warms as weather cools (pic) ... Oct. 10 26
*Obtains rights to Schoch acetylene process ... Oct. 24 34
Offshore California: is it ready for 'big-time' oil play? ... Nov. 28 14
Pipe is ditched for King Ranch gas plant (pic) ... Oct. 17 35
*Proposes gas injection project for Ham Gossett field, Tex. ... Oct. 17 28
*Puts new fluid cat cracker on stream and has solvent-hydrofining unit ready for operation ... Aug. 1 74
Puts novel cat cracker on stream at Baytown, Tex. (pic) ... Oct. 17 47
*Reorganizes marketing department ... July 4 33
*Republic Oil & Refining buys crude gathering system in Tex. ... Oct. 17 39
Selective crude price cutting ... Oct. 10 6
Standard-Humble Lease PRC 1824.1 - discovery of "important proportions" off California ... Nov. 21 6
Standard Oil Co. of N.J. ownership studied by Justice Dept. antitrusters ... Nov. 21 14
*Standard Oil of N.J. wants to increase ownership ... July 11 28
Sweep efficiency of almost 100% reported for miscible flood program in Seeligson Field ... July 4 6
*Trades some stock for all assets of Louisiana Furs Corp. ... July 11 44
*Triple completion made without using tubing ... Nov. 14 25
Tubingless triple completions ... Nov. 21 17
*Turns back California offshore lease ... Sept. 19 37
Humble Pipe Line Co. - *ACT approved for Texas lease ... July 18 34
Study on selection of prime movers for pipelines ... Sept. 19 86
Hunt International Petroleum - *Joint test with Pakistan Petroleum spudded at Badhra ... Oct. 3 73
Husky Oil Co. - *Plans synthetic fuels and chemicals from coal plant in Wyoming ... Aug. 22 37
*Plans to more than double present of Cody, Wyo. refinery ... Oct. 31 26
*Swedish "Lins" process tests at Santa Cruz producing tar sands oil ... Oct. 10 16
Hydrocarbon Research Inc. - "H-iron" process - oil processing will help make steel ... Dec. 12 32
*Hydrogen may replace coke in blast furnaces - "H-Iron Process" ... Dec. 5 17
Hydro Drilling Co. - Hydraulic rig nearing production ... Aug. 15 24

Ideco, Inc. - *Drilling rig custom-made for desert operations ... Dec. 12 31
Imperial Chemical Industries, Ltd. - *Forms jointly owned subsidiary with Celanese Corp. of America tentatively named Lindum Fibers to produce polyester fiber in U.S. ... Oct. 3 78
*Licenses Standard Oil Co. (Ind.) aromatics oxidation process ... Aug. 29 35
Imperial Oil Ltd. - *ACT system being used successfully to move crude from wells to pipelines in Edmonton, Alta. area ... Oct. 17 28
*Awards two more contracts as part of expansion program underway at Calgary, Alta. refinery ... Aug. 1 74
*Contracted to have avgas alkylation unit built at Winnipeg, Manitoba refinery ... Dec. 19 39
*Drilling below 2,000 ft. on second wildcat on Prince Edward Island ... Aug. 8 29
*"Large scale" exploratory drilling program started in Beatton River area, B.C. ... Sept. 12 26
*Plans new Canadian terminal ... Aug. 1 47
*Plans to install Powerformer at Regina refinery ... July 4 31
*Starts construction job to modernize asphalt-making facilities of Halifax, N.S. refinery ... Oct. 17 47
*Will build alkylation plant at Winnipeg refinery ... Oct. 31 26
Indian Exploration Co. - *Operator of Leon Creek unit, Colo. ... Aug. 29 24
Industrias Plasticas Argentinas Koppers, S.A. - *Planning construction of ethylene and polyethylene plants at La Plata ... July 25 39
International Business Machines Corp. - IBM 7070 speeds oil work ... Sept. 5 13
"Package" offers easy computing for independents ... Oct. 10 34
International Consortium - *Helicopters will be used in pipe-laying operations on Gach Saran-Kharg Island pipeline ... Dec. 19 47
International Drilling Co. - Overseas contract drilling grows ... July 25 44
International Mining Corp. - *Buys Waterford Oil Co.'s 25% interest in about 275,000 acres in La. ... Sept. 26 34
International Refineries, Inc. - *Will build crude gathering system in Bottineau County, N.D. ... Sept. 19 90
Interprovincial Pipeline Co. - *Asphaltic crude from western Canada being moved to eastern Canada ... Dec. 26 12
*Edmonton, Alta and Superior, Wis. looping finished ... Sept. 19 90
Interstate Oil Pipe Line Co. - *Caisson for underwater pipeline repairs and connections passes field tests ... Oct. 24 40
*Completes trunkline to fields in Miss. ... Dec. 26 31
*New type of deep groundbed for cathodic protection of pipe in high-resistivity soil receives solid recommendation ... Sept. 26 46
*Will extend Mississippi crude trunk line to Raleigh, Martinville and Magee fields ... Sept. 26 46
Intex Oil Co. - *Navy awards contract to drill on Teapot Dome, Wyo. ... Aug. 8 29
*Navy contract for offset drilling at Teapot Dome approved ... Oct. 3 32
Inversiones Guatemaltecas Americanas - Guatemala drilling push to start ... Oct. 10 44
Iranian Consortium - *Drilling of coastal wildcat onshore at Kuh-I-Binak to be resumed ... Nov. 14 112
Iraq Petroleum Co. - Crude line to try free-piston diesel ... Nov. 28 34
*Discussions with government on substantial increase in oil exports ... July 11 74
Iraq demands IPC cut concession ... July 4 34
*Iraq government will again sell its 12½% of oil to company in 1959 ... July 4 36
Iraq wants to export newly acquired BP oil ... Nov. 28 32
May yield some acreage ... Sept. 5 48
*Orders new pumping unit for installation in Syria ... Oct. 17 53
Relinquishing choice acreage - W. M. Jablonski ... Dec. 19 15
Tripoli terminal operating normally ... July 4 35
Will latest tests provide new clues to Southeast Arabian oil? ... Nov. 14 108
*Will start work on new oil port ... Sept. 19 82
Irving Refining, Ltd. - *Will install a hydrogen-manufacturing plant to supply hydrogen to hydrodesulfurization units in St. Johns, refinery ... Oct. 17 48
Island Exploration - *Formation of new company proposed to search for oil in Papua ... Oct. 24 44
Israel-Mediterranean Petroleum Inc. - *Spuds new test southeast of Tel Aviv ... Sept. 5 50
*Test spudded in Hulda area, Israel ... Sept. 12 54

Jackson, Shear & Parker - Kansas discovery - Northwest Kansas is settling down ... Oct. 31 17
Jamaica Oil & Chemical Co., Ltd. - *Plan to build first refinery in Jamaica aproved by government ... Aug. 8 42
Jayhawk Pipe Line Co. - *May extend cross-Kansas crude line to fields in Haskett and Morton Counties ... Aug. 15 39
*Pipeline across Kansas will start moving crude in Mid-August ... July 25 43
Jefferson Chemical Co. - *Ethylene plant at Port Neches, Tex. on stream ... Dec. 5 56
Jersey Production Research Co. - *Rubber-sleeve core barrel ... Dec. 5 37
Water-driven banks of carbon dioxide show promising results ... Oct. 10 22
Jet Research Center - *New shaped-charge liner ... July 25 32
Johnson, S. D. - *Bayview Oil acquires 15 wells ... Dec. 12 31
Jones & Laughlin Steel Corp. - *New continuous-weld pipe mill at Aliquippa, Pa. works ... July 11 67
Jordanian Oil Refinery Co. - *Postpones decision on selection of bid for building Zarkah refinery ... Aug. 22 46

Kellogg, M. W. - Contract for expansion of Lujan de Cuyo refinery, Argentina, signed ... Aug. 22 45
Kendavis Industries, Inc. International - 19 affiliates get new manager ... Sept. 5 12
Kerr-McGee Oil Industries, Inc. - *Buying another Oklahoma crude gathering system - Magnolia Pipe Line, fourth this year ... Oct. 10 40
May acquire Magnolia Pipe Line system ... Sept. 19 10
*Showing further interest in prospecting for Saline ore ... Oct. 3 16
*Will buy all allowable "underages", in Okla. ... July 18 6
*Will receive interest in Gulf Oil's prospecting license in return for drilling No. 1 Gulf Morgan Lewis, Barbados ... July 18 79
*Will transplant vacuum crude unit to its Kermac refinery at Cushing, Okla. from now defunct Tidewater Oil refinery at Krumright, Okla. ... Oct. 10 35
*Wynnewood, Okla. refinery has four new process units on stream ... July 25 39
*Wynnewood, Okla. refinery has four new process units on stream ... July 25 39
Kilgore & Barby - *Garfield County claims Oklahoma's most profilic gas well ... Nov. 7 33
Killam, O. W. - *Abandons quest for oil on Pescadito Dome, Tex. ... Nov. 7 32
King-Mill Oil Co. - Plans flood season drilling in Barinas, Venezuela ... Dec. 19 46
Kinoshita & Co. - Semi-barter deal with Indonesia involving development of oil in Sumatra proposed ... July 18 77
Kirby Petroleum Co. - No. 1 Weeden - McClain County, Okla. discoveries ... Sept. 12 21
Knox Industries - *Purchases ten Oklahoma City outlets from B. M. Salyer Jr. ... July 25 47
Kopper Co. - Ethylbenzene from Port Arthur, Tex. plant used to make styrene at Pittsburgh - Petrochemicals report ... Sept. 19 51

La Coste & Romberg - New geophysical tools more sensitive - new gravity meter ... Oct. 17 22
LaGloria Oil & Gas Co. - Modernizes for efficiency at Tyler, Tex. refinery ... Aug. 22 32
*New 50-mi. products line will tie Tyler Tex. refinery into Little Big Inch Products system of TET ... Oct. 17 39
*Starts renovation of Tyler, Tex. refinery ... July 18 76
LaGrange Oil Co. - Power-tong tested (pic) ... July 25 31
Lake Superior Refining Co. - *Murphy Corp. completes acquisition ... July 4 31
Landa Oil Co. - *Buys various working interests in 17 wells ... Dec. 12 31
Lane Wells Co. - Acquires Elgen Corp. ... Aug. 8 6
Leeds and Northrup Co. - Computer measures 160 process variables ... Aug. 29 34
Leonard Refineries, Inc. - *Marketing new "auto and marine" gasolines ... July 25 47
LeTourneau, R. G., Inc. - Coming offshore: wide-base platform (pic) ... Oct. 3 30
Italians take U.S.-built platform to Iran ... Dec. 5 61
Liberty Mutual Insurance Co. - Package insurance offered ... Oct. 10 25

Mercury Drilling Co. - *Calvert Drilling Co. purchases drilling assets ..... Oct. 31 20
Messman-Rinehart Oil Co. - *Negotiations for oil concession in Ireland progressing ..... Oct. 10 47
Michigan Consolidated - Panhandle Eastern authorized to abandon sale of natural gas ..... Dec. 26 6
Michigan Wisconsin Pipeline Co. - FPC Examiner Hall eliminates major part of case ruling against proposed expansion ..... Sept. 19 20
*FPC examiner turns down application for expansion ..... Sept. 19 90
*Receives temporary authorization to build 25 mi. of loops near Madison, Wis. ..... Oct. 3 82
*Receives final FPC approval of expansion project ..... July 4 28
Would not show economic feasibility FPC says ..... Nov. 7 18
Mid-Continent Pipe Line Co. - *Buys crude gathering facilities in Tatum field, Okla. from Shell Oil ..... Dec. 5 44
Mid-Continent Supply Co. - *New drawworks for medium-depth drilling introduced .. Aug. 22 24
Thornbury, D. H. - new president (pic) .. July 4 10
Middle States Petroleum Corp. - *TGT takes over management ..... Aug. 8 29
Midwestern Gas Transmission Co. - FPC must rule on proposed Tennessee-to-Canada pipeline ..... Sept. 26 18
FPC not yet ruled on Midwestern gase .. July 11 30
FPC starts new hearings on proposed natural gas service to Chicago ..... Dec. 19 10
FPC turns down plan for Canada-to-Tenn. pipeline ..... Nov. 7 18
Midwest gas case, July 11-30, Sept. 26-18, Oct. 3-18, Oct. 17-6, ... Nov. 28 12
Plans for serving Upper Midwest area - Midwest gas supply picture changes .. Aug. 8 12
Miracle & Wooster Drilling Co. - *Spuds test for Standard Oil of Calif. north of Seattle, Wash. ..... Sept. 26 35
Mitsui Petrochemical Industries, Ltd. - First commercial use of Octafining ..... July 4 31
Mitsubishi Petrochemical Co., Ltd. - *Plans ethylene oxide-ethylene glycol plant July 25 39
Mobil Exploration West Africa - *Joint agreement with French firm for exploration in Gabon and Middle Congo Oct. 10 47
Mobil Oil AG - *Capacity of Bremen, Germany refinery more than doubled with new distillation unit ..... Aug. 8 37
Mobil Oil Francaise - *Joint agreement with French firm for exploration in Gabon and Middle Congo ..... Oct. 10 47
Mobil Oil of Canada, Ltd. - *Gelsenberg will acquire interests in exploration rights in Libya ..... July 11 72
Mobil Overseas - *Making plans for installation of hydrant fuel systems at overseas airports to speed fueling of jet airliners ..... Oct. 10 43
Mobil Producing Co. - *Carbon unit, Carbon County, Wyo. approved ..... Aug. 29 24
Monsanto Chemical Co. - *Cited by Air Force for cooperation in developing radiation-resistant fluids ..... Aug. 8 37
Monsanto Chemicals (Australia), Ltd. - *First styrene monomer plant in Australia will be joint venture with Petroleum & Chemical Corp. Ltd. ..... Dec. 19 39
Montana-Dakota Utilities Co. - *Looping gas transmission line between Laurel and Billings, Mont. ..... July 18 70
Montecatini Soc. Gen. - *Exhibiting samples of ethylene-propylene copolymer ..... Nov. 21 45
*"Lifetime" auto tires made of propylene-ethylene copolymer ..... Dec. 5 56
*Natural gas discovery in Sicily ..... Nov. 14 110
Monterey Oil Co. - Air drilling and air-chemical wash almost triples production from five California wells ..... Aug. 8 24
*Restores cut-back production ..... Aug. 15 26
*Turns back California offshore lease ..... Sept. 19 37
Montin-Benson Corp. - *Cleary, W. B. Inc. purchases stock ..... Sept. 5 30
Moore, Lee C. - 'Grasshopper rig' designed for Italy (pic) ..... Nov. 28 20
Moran Bros. Drilling Co. - Dresser Industries' turbodrill scores in test in Herscher Dome area, Ill. ..... Aug. 1 28
Morocco-Agip Mineraria - *Joint Italian-Moroccan refinery planned ..... Nov. 28 33
Mountain Fuel Supply Co. - *Horn Canyon unit, Wyo. approved ..... Oct. 3 32
Murmanill Corp. - *Acquires control of C. G. Glasscock-Tidelands Oil Co. .. Oct. 24 26
Murphy Corp. - *Completes acquisition of Lake Superior Refining Co. and Superior Refinery Owners, Inc. ..... July 4 31

Nash Oil Co. - *Waterflood project on Royal James lease, Tex. approved ..... Sept. 12 26
National Aluminate Corp. - *Acquiring Howe-Baker Engineers, Inc. ..... Oct. 3 78
National Bulk Carriers - *World's largest supertanker keel laid ..... July 4 29
*World's largest tanker, "World Apollo" launched in Japan last week ..... Dec. 12 12
National Iranian Oil Co. - *Calls for new bids on areas of District I, III and IV Oct. 17 53
Iranian-Canadian oil rights shown (pic) July 11 72

*Joint-venture agreement with Sapphire Petroleums, Ltd. approved ..... July 4 36
Plans to export products from Abadan refinery through route that would bypass Iraqi-held waters ..... Dec. 19 46
Shah of Iran signs joint-venture agreement with Sapphire Petroleums ..... Aug. 15 6
National Outdoor Resources Review Comm. - *Public lands may be closed to mineral development ..... Aug. 15 15
National Petroleum Bibliography - *Publishes fact book of oil and gas activity in Four Corners area ..... July 4 26
National Supply Co. - Equipping oil overseas - report ..... Aug. 1 48
Venezuelan supply store - Equipping oil overseas - report ..... Aug. 1 58
National Tank Truck Carriers - *Issues "Commodity and Equipment Data Sheets" ..... Sept. 12 42
*Streamlining of loading and unloading facilities for tank trucks could reduce cost of moving petroleum says president L. A. Wilsey Jr. ..... Sept. 19 90
Natural Gas Pipeline Co. of America - *Awards contracts for expansion program ..... July 25 43
Cancels plan under which Colorado Interstate would supply Peoples system Midwest gas supply picture changes ..... Aug. 8 12
*FPC gives temporary authorization to add gathering facilities ..... Dec. 12 46
Natural Gas Storage Co. of Ill. - Dresser Industries' turbodrill scores in test in Herscher Dome area, Ill. ..... Aug. 1 28
New Superior Oils of Canada, Ltd. - *Will purchase assets of Altex Oils, Ltd. .. Sept. 19 38
New York State Natural Gas Corp. - *Building additional transmission line to supply more natural gas for Buffalo, Niagara Falls and other western N.Y. cities ..... Sept. 5 40
Compressor engine set for storage work (pic) ..... Nov. 7 90
*Lake Erie drilling halts for winter ..... Nov. 7 32
Niarchos, Stavros - *"Largest merchant vessel ever built in an American shipyard" "Princess Sophie" will be christened by Queen Frederika of Greece ..... Oct. 31 35
Newest oil tanker, "Princess Sophie" (pic) ..... Nov. 14 95
*Opening of new shipyard at Scaramanga, Greece ..... July 11 67
Nippon Petroleum Refining Co., Ltd. - *Combination UOP Unifining-Platforming unit on stream at Yokohama refinery ..... Aug. 8 37
Norbute Corp. - *Merger with Crescent Petroleum Co. approved ..... Aug. 15 31
Norddeutsche Raffinerie - *First foreign installation of the Milney sludge acid recovery process goes on stream ..... Oct. 10 35
Nord-West Oelleitung GmbH - Pipeline weld-inspection equipment ..... July 18 66
Wilhelmshaven, Germany to Cologne line designed on completely remote-controlled basis ..... Sept. 19 88
North Carolina Natural Gas Corp. - Begins new 630-mi. grid ..... Dec. 19 40
Northeast Oil Co. - *Acquired by River States Oil Co. ..... July 18 81
Northeastern Truck Co. - *Suggests ICC approve truck shipments of non-explosive petroleum products in rubber tanks inside trailer vans ..... July 18 70
Northern Foothills Agreement Group - *No. 8-28, Canada's deepest drilling venture being abandoned ..... Dec. 12 12
Northern Natural Gas Co. - *Asking FPC permission to add 326 new midwest communities to its system ..... Dec. 12 46
FPC turns down storage project ..... Nov. 7 18
Northern Pacific Railway - *Changes leasing policy ..... Oct. 17 28
Northwestern Utilities, Ltd. - *Puts into operation new gas line from Pembina field to Edmonton, Alta. ..... Nov. 14 102

Oasis Oil Co. - Libya - No. B1-32 Dahra may be winner ..... Oct. 17 6
Makes second oil find in Libya ..... July 4 6
Truckloads of equipment for Libya - Equipping oil overseas - report ..... Aug. 1 66
*Will move new rigs into Libya ..... Nov. 14 112
Ocean Drilling & Exploration Co. - Completes Mexico's first offshore producer ..... Nov. 21 35
Oceanic Oil Co. - *Producing Properties, Inc. will acquire assets ..... Nov. 7 32
*Waterflood program will be started on section of Greybull field, Wyo. ..... Aug. 1 32
O'Connor, F. M. - *Landa Oil buys various working interests in 17 wells ..... Dec. 12 31
Oesterreichische Mineraloel Verwaltungs A.G. - Austrians stabilize loose pay sands ..... Nov. 14 40
Offshore Operators Committee - Offshore firms to aid in sea rescues ..... Oct. 17 26
Ohio Fuel Gas Co. - *Plans underground storage cavern for natural gas in Medina field ..... Aug. 1 47
Ohio Oil Co. - *Enters into exploration with Amerada Petroleum in Canada's Yukon and Northwest territories ..... Dec. 5 37
Guatemala drilling push to start ..... Oct. 10 44
*Guatemala - Mar. 15 set as date for spudding wildcat projected by four-company group ..... Oct. 31 32
*Mud Lake unit, Wyo. approved ..... Oct. 3 32
Oil, Inc. - *Rocky Mountain unit approved .. July 11 44

*Short News Item, (ed)Editorial

Oil Resources Development Co. - *Spuds Japan's first offshore wildcat ... Oct. 17 53
Oil Shale Corp. - Shale oil is commercial today ... July 18 72
Oklahoma Oil Co. - *Giving away new coupon premiums at stations in Chicago area ... Oct. 24 48
Olin Mathieson Chemical Corp. - *Joins with Sun Oil to build and operate urea plant ... July 11 58
Onassis, A. S. - *Building 65,000-tonner in West Germany ... July 11 28
*Justice Dept. suit may be settled out of court ... Oct. 3 83

Pacific Cooperative - *Starts terminal on Columbia River at Portland, Ore. ... Sept. 12 45
Pacific Gas & Electric Co. - Steam wells supply fuel ... Dec. 19 14
Pacific Northwest Pipeline Corp. - El Paso Natural Gas merger - antitrust aspects will not be considered in FPC hearings ... Sept. 19 10
El Paso merger - Justice Dept. proceeding with its case ... Sept. 26 18
*FPC approves expansion plans ... Oct. 3 82
Kayser, Paul new president ... Aug. 8 6
Merger with El Paso Natural Gas - case still dragging ... July 11 30
*Proposed Wyoming expansion program given temporary authorization by FPC ... Aug. 8 39
Pacific Petroleum Ltd. - *"Large scale" exploratory drilling program started in Beatton River, area, B.C. ... Sept. 12 26
*Offers to exchange shares for shares of Humber Oils, Ltd. ... Sept. 5 30
Pacific Power & Light Co. - *Purchases electrical transmission lines and facilities at Salt Creek field, Wyo. ... Sept. 5 30
Pacific Supply Cooperative - *Buys refinery site at Vancouver, Wash. ... July 4 31
*Proceeding with plans to build refinery at Vancouver, Wash. ... July 25 39
*Signs contract with Fluor Corp. Ltd. for facilities at Vancouver, Wash. ... Oct. 3 78
Pakistan Petroleum Ltd. - *Joint test with Hunt International Petroleum spudded at Badhra ... Oct. 3 73
Panamanian Delhi - *Plans to start wildcatting in Panama ... Dec. 19 47
Pan American International Oil Co - Exploration abroad keeps up its whirlwind pace ... Sept. 19 80
Lofland ships ten rigs to Argentina to drill for Pan American ... Nov. 14 106
Preparations to start drilling in Argentina proceeding on schedule ... Nov. 28 31
60-40 Indiana-Saudi deal still pending ... Oct. 24 42
*Will spud in first offshore wildcat in Persian Gulf ... Nov. 28 33
With aerial surveys changes in 'pitch' aid oil search ... Dec. 19 16
Pan American Petroleum Corp. - *Corrosion Rectifying Co. installs sixty well casing rectifier-type cathodic protection systems near Henderson, Tex. ... Oct. 17 30
*Cycling project set for Alberta field ... Aug. 15 26
Drilling may solve Minden Dome, La. puzzle ... Dec. 19 22
Exploration abroad keeps up its whirlwind pace ... Sept. 19 80
Foreign groups to speed Sahara hunt ... Sept. 12 13
*Gas injection program proposed for High Island Field, Tex. ... Oct. 10 26
Research men at AAODC meeting - air/gas drilling, blowout tools gain ... Oct. 3 27
*Rocky Mountain unit approved ... July 11 44
Triple completion for No. 31-A Sealy Smith Foundation, Tex. applied for ... July 11 18
*Triple completion for No. 31-A Sealy-Smith Foundation approved ... Oct. 3 32
*Will build natural gasoline plant south of Riverton, Wyo. ... Aug. 22 37
*Will start construction this fall on natural gas processing plant in Beaver Creek field, Wyo. ... Aug. 15 26
Wyoming's Cottonwood Creek's pressure maintenance program ... Aug. 29 22
*Wyoming Oil & Gas Conservation Comm. approves application to expand waterflood project in Torchlight field ... Sept. 5 30
Panhandle Eastern Pipe Line Co. - Authorized to abandon sale of natural gas to Michigan Consolidated ... Dec. 26 6
Request to cut off sales to Detroit subsidiary of American Natural Gas - decision near on gas pipeline's right to abandon service ... Aug. 8 14
Pan-Israel Oil Co. - *Spuds new test southeast of Tel Aviv ... Sept. 5 50
*Test spudded in Hulda area, Israel ... Sept. 12 54
Parla Operation, Inc. - *Second Gulf of Paria wildcat abandoned ... Oct. 31 32
Parkersburg Rig & Reel Co. - Pumping unit for S.S. - Equipping oil overseas - report ... Aug. 1 60
Parson, Ralph M. Co. - *Submits application for right to build Guatemalan refinery ... Oct. 31 32
Pasotex Pipe Line Co. - *Buys Scurry County, Tex. crude gathering system from Gulf Refining Co. ... Sept. 5 40
Pauley, Edwin W. Co. - *Jordan - third wildcat being spudded in ... July 4 36
Reports Jordan show ... Nov. 28 32

*Short News Item, (ed)Editorial

*Sells out exploration rights in Jordan to Phillips Petroleum ... Sept. 12 54
Pecos Exploration Co. - *Acquires leaseholds in Arkansas River valley area ... Dec. 26 22
Pembina Pipe Line, Ltd. - Foothills Products Pipe Line proposes Canadian NGL line ... July 18 68
People's Natural Gas Co. - Midwest gas supply picture changes - Natural Gas Pipeline and Colorado Interstate cancellation of agreement means collapse of plan to build pipeline from Beatrice, Neb. to Joliet, Ill. ... Aug. 8 12
Permian Basin Pipeline Co. - *Receives FPC approval to build facilities to take gas from Emperor field in Winkler County, Tex. ... Oct. 24 40
Petro Merchandising - Portable prefab service station ... Dec. 5 58
Petrobras - Brazil seeks U.S. and European oil financing ... Aug. 22 45
*Plans second refinery ... Dec. 19 44
Sardenberg, Col. Idalio replaces Col. Janary Nunes as president ... Dec. 12 6
*Will buy Italian equipment ... Dec. 19 47
Petrofina - *Expects to spend $38-million on refinery at Duisburg-Neuenkamp and Wilhelmshaven, pipeline ... Aug. 29 31
Sees Mideast terms 'costly' ... Nov. 14 104
Petrolane Gas Co. - *Anchor Petroleum acquires controlling interest ... Oct. 3 85
Petroleos Mexicanos - Invites foreign captial in petrochemicals ... Dec. 12 11
Pemex at 'critical stage', Bermudez says ... July 11 68
*Roldan, Pascual Gutierrez appointed head ... Dec. 5 17
Petroleum & Chemical Corp. Ltd. - *First styrene monomer plant in Australia will be joint venture with Monsanto ... Dec. 19 39
Petroleum Chemicals, Inc. - *Plans to expand activities in research into manufacture of new chemicals from petroleum ... Sept. 12 38
*Producing ethylene at Lake Charles, La. plant ... Oct. 10 35
Petroleum Research Corp. - Hydrodynamics helps find oil traps ... Sept. 5 23
Petrores - *Completes second producer at Coulommes, France ... July 4 36
Petro-Tex Chemical Corp. - *TGT transfers controlling interest in Grand Central Rocket Co. ... July 11 58
Pfizer, Charles & Co. - *Citric acid can increase production in waterflooding operations ... Sept. 12 26
Philippine Oil Development Co. - *Drilling first wildcat on island of Leyte ... Dec. 26 29
Phillips Petroleum Co. - *Acquires Edwin W. Pauley Co.'s exploration rights in Jordan ... Sept. 12 54
*Acquires two leases in Pennsylvania ... Sept. 12 26
*Announces cuts in crude runs and gasoline yield ... Aug. 29 15
*Announces second discovery on Lake Maracaibo Block 17 ... Dec. 5 63
*Arkansas Oil Gas Comm. denies application to commingle production from different sand leases in Snow Hill field ... Sept. 19 38
*Buys Central Tex. marketing facilities of Arkansas Fuel Oil Corp. ... Oct. 10 43
*Carbon black plant in France to be built jointly with Continental Carbon ... Dec. 5 63
*Dispute with Blackfeet Indians holds up waterflooding of Montana's Cut Bank oil field ... Nov. 28 20
*Drops gasoline discounts to jobbers and dealers in Oklahoma ... July 18 81
*Du Pont suing for patent infringement ... July 4 31
*Expanding marketing operations in Central Illinois ... Nov. 14 118
*Leases acres in northeastern Ohio ... July 18 34
*More LPG caverns at Little Inch terminal ... Oct. 3 82
*Moving into Ohio with gasoline and heating oil and stepping up LP-gas distribution ... Aug. 29 36
Nations first 'Wright-way' service station takes a bow - Ray Lindholm, Minnesota jobber ... Nov. 21 50
*New low-gravity oil pool in Temblador area, Venezuela ... Dec. 12 52
No. 1-A Harral - Deep drilling report ... Oct. 3 40
No. 1-A Harral - Dowell starts record acidizing tests (pic) ... Aug. 8 9
No. 1-A Montgomery - Deep drilling report ... Oct. 3 40
No. 1-A Montgomery - deep perforations set record ... Nov. 7 28
No. 1-A Montgomery, Texas - world's second-deepest test runs smooth ... July 25 26
No. 1-EE University ... July 11 18
No. 1-EE University bottomed at 25,311 ft. ... Oct. 24 6
No. 1-EE University - casing record set in deep test ... Aug. 15 14
No. 1-EE University - drilling runs smooth on deep test ... July 25 26
*No. 1-EE University - drilling will be resumed early in Sept. ... Aug. 22 22
*No. 1-EE University hits 25,000 ft. ... Sept. 26 17
No. 1-EE University - The 25,000-ft. hole ushers in a new drilling era - report ... Oct. 3 34
*No. 1-EE University - world's deepest fishing job ... Nov. 7 20
No. 1 Llanos, Kansas - Northwest Kansas is settling down ... Oct. 31 17
No. 2 O'Daniel blowout - smoke in their eyes (pic) ... Oct. 31 21
Pembina gets new ACT system ... Dec. 12 26
*Plans wildcat in British Honduras ... Oct. 31 32
*President Paul Endacott says LPG sales will climb about 5% annually ... Oct. 17 57
*Releases details of participation in latest Sahara grants ... Sept. 26 49
Resumes drilling record-depth test in Pecos County, Tex. - No. 1-EE University ... Sept. 12 6
*"Spectacular successes" reported for new kind of synthetic rubber, cis-polybutadiene ... Sept. 19 76
Texas - Pecos tests yield new data ... Nov. 7 28
*Venezuela - new low-gravity pool proved in Temblador area ... Oct. 3 73
Phillips Pipe Line Co. - First hearing under Tex. RR Comm. pipeline connection order held ... Oct. 24 6
Pioneer Gathering System, Inc. - *Will start building gas treating plant in Schleicher County, Tex. ... July 25 43
Pioneer Natural Gas Co. - *Increasing natural gas delivery capacity in the Texas Panhandle ... Aug. 22 43
Pipelines of Puerto Rico, Inc. - Products pipeline across Puerto Rico will end around-the-coast shipments ... Nov. 7 88
Plymouth Oil Co. - *Conducting 44-test drilling program on recently acquired block in Pembina field, Alberta ... Sept. 26 34
French Africa - first test underway east of Abidjan ... Sept. 19 78
*Negotiating for Guatemalan oil rights ... Sept. 26 49
*Will spud deep test east of Abidjan ... Aug. 29 31
Polaris Oil Co. - *Sunset International Petroleum acquires 50% interest in about 72,000 acres in Alaska's Copper River Basin ... Sept. 26 34
Pottermeter Co. - *Turbine-type gas flow meters ... Aug. 15 40
Pratt-Hewitt Oil Corp. - *Cosden Petroleum purchase ... Dec 5 37
Preferred Oil Co. - New York terminal planned to handle heating oil for Long Island market ... Sept 5 38
Producers Drilling Co., Inc. - New drilling barge (pic) ... Aug. 15 26
Producing Properties, Inc. - *Sells $1-million worth of long term promissory notes to undisclosed investment fund ... Aug. 29 24
*Stockholders vote to increase authorized common stock ... Dec. 26 22
*Will acquire assets of Oceanic Oil Co. ... Nov. 7 32
Public Service Electric & Gas Co. N.J. - *Engineer F. Kramer foresees hydrogen fusion power from sea water as an energy source ... Oct. 3 16
Pulsometer Engineering Co. Ltd. - *Producing Ideco mud pumps for export to sterling areas ... Sept. 26 49
Pure Oil Co. *Building road toward second drillsite in Paraguay ... July 18 79
*Colorado Oil & Gas Conservation Comm. rejects plea that two wells be cut back to prevent drainage ... July 11 44
*First tanker of crude from Lake Maracaibo, Venezuela, on way ... Dec. 12 46
Oil field truck - Equipping oil overseas report ... Aug. 1 58
*Outlines steps for 'new era' success ... Oct. 3 85
*Takes over Sun Oil's exploration rights in Guatemala ... Nov. 21 37
Quaker State Oil Refining Corp. *Takes over Sinclair Pipe Line Co.'s Alleghany County (N.Y.) system ... Nov. 14 102
Reaho Corp. - *Acquired by Three States Natural Gas ... July 25 31
Reed Roller Bit Co. - *Maher, John F., new president; Ray O. Shaffer new board chairman ... Aug. 15 15
Plans expansion ... Sept. 12 12
Setting sights on new growth as a manufacturer of oilfield equipment ... Aug. 22 12
Refining Associates, Inc. - *Will help back rehabilitation program for nationalized Royal Dutch Shell fields in north Sumatra ... Oct. 3 73
Regent Refining, Ltd. - *Ginrich, C. D. says electronic instrumentation of a refinery can save 10% in maintenance costs ... July 11 58
Reid, Gene Drilling, Inc. - *California contractor reenters drilling field ... Oct. 17 28
Republic Oil & Refining Co. - *Buys crude gathering system in Tex. from Humble Oil & Refining ... Oct. 17 39
Republic Steel Corp. - Carlin, R. P. predicts new drilling peaks ahead ... Oct. 3 21
*Reacquires Republic Supply Co. ... Oct. 31 20
Republic Supply Co. - *Reacquired by Republic Steel ... Oct. 31 20
Richardson X-Ray Service Co. - Pipeline weld-inspection equipment ... July 18 66
Richfield Oil Corp. - *Alaska - Kenai Peninsula test drilling below 11,209 ft. ... Oct. 24 25
California's North Tejon field completions ... July 25 25
*California wildcat sets off scramble for leases in Kern County ... July 4 25
*Considering use of nuclear energy for oil recovery ... Aug. 15 15
*Driving hard to boost sales of its '100-plus octane boron gasoline' ... Oct. 10 43
New deep pay at North Tejon field, Calif. ... Dec. 12 26
*No. 34-9 KCL H., Kern County, Calif. completed ... July 11 44
*Seeking leases in West L.A. area ... Aug. 8 29
*Takes option on 23,000 acres of oil shale leases in Utah ... Oct. 17 28
*Will make formal entry into petrochemicals Sept. 1 with production of benzene and toulene ... Aug. 8 37
Richmond, Frederick W. - *Buys major interest in Houston Oil Field Material Co. ... Sept. 19 18

River Pipeline Co. - Completion of line linking Wichita Falls with Okla.-Miss. River Product line will extend Texas refineries products to mid-U.S. ... Sept. 5 6
River States Oil Co. - *Acquires Northeast Oil Co. ... July 18 81
Robertson, C. T. et al - First hearing under Tex. RR Comm. pipeline connection order held ... Oct. 24 6
*First test of Texas RR Comm. order covering common-carrier pipeline connections dropped ... Nov. 21 12
Rohoelgewinnungs A. G. - *No. 1 Uebersbach, Austria, scheduled ... Oct. 24 44
Rohrbach, Rudolph - Shale oil plant makes cement ... Oct. 24 32
Royal Dutch Shell - *Gabon deal set ... Sept. 12 53
Joins Caltex exploration in Australia ... Nov. 7 107
Joins small U.S. refiner in putting up 3,500 b/d plant in Guatemala ... Oct. 3 72
*May join in Gabon exploration ... Aug. 22 46
*No. 1 Steindlberg completed in Austria ... Dec. 26 29
Rotterdam-Ruhr pipeline start (pic) ... Sept. 26 49
*Sale of jointly-owned Haifa refinery will complete withdrawal from Israel ... Nov. 28 33
Royalite Oil Co. *Asphaltic crude from Western Canada being moved by Interprovincial Pipeline to eastern Canada ... Dec. 26 12
*Places UOP Platforming unit on stream at Kamloops, B.C. refinery ... Aug. 1 74
*To continue Athabasca tar sands operations ... Nov. 14 54
Runnels Gas Products Corp. *Eunice, La. gasoline plant to be expanded ... Nov. 7 104

Safrep - *Granted permit in Tindoug, Algeria ... Aug. 29 31
St. Regis Paper Co. - *Magnolia Petroleum planning 18-month geophysical study of lands in Ala. and Fla. ... July 4 26
Salyer, B. M. Kr. - *Knox Industries purchases ten Oklahoma City outlets ... July 25 47
Santiago Petroleum - *TGT doubles Ecuador concessions by purchase of two subsidiaries ... Dec. 26 29
Sapphire Petroleums, Ltd. - *Joint-venture agreement with National Iranian Oil Co. approved ... July 4 36
New Iranian-Canadian oil rights shown (pic) ... July 11 72
Shah of Iran signs joint-venture agreement with National Iranian Oil Co. ... Aug. 15 6
Savannah Terminal, Inc. - *Building asphalt processing plant ... Dec. 5 56
Schlumberger Well Surveying Corp. - Deep perforations set record on Phillips Petroleum No. 1-A Montgomery ... Nov. 7 28
Schneider, M. Enterprises - $70-million "package" offer to Argentina ... Aug. 22 45
Scurlock Oil Co. - *Buys Tex. crude gathering system from Gulf Refining Co. ... Oct. 17 39
Seaboard Oil Co. - *Turns back California offshore lease ... Sept. 19 37
Selco Holdings, Ltd. - *Investment in Western Decalta Petroleum, Ltd. ... Aug. 22 24
Seminole Oil & Gas Corp. - *Great Western Oil & Gas buys nine producing wells in Okla. ... Sept. 26 35
Service Pipe Line Co. - *Burke, J. L. sees new concept in handling legislative problems being developed by transportation industry ... Sept. 26 46
*Connecting nine additional Burke County, N.D. leases to Tioga gathering system ... Aug. 15 40
*Justice Dept. charges company paid excessive dividends to parent ... Oct. 17 16
Shell Brazil Ltd. - Sao Paulo products terminal to serve growing market ... Aug. 8 44
Shell-BP - *Appraisal drilling shows Oloibiri, field Nigeria, to be smaller than anticipated ... Dec. 12 52
*Dutch-built barge for work in Nigeria ... Dec. 19 47
*Nigeria test abandoned as dry hole at 13,000 ft. ... Nov. 7 108
Shell Chemical Corp. - *Develops new paving material called 'Guardkote" plastic resin ... July 11 58
New waste disposal unit at Houston (pic) ... Sept. 12 34
*Will begin construction of a phenol unit at Houston plant ... Sept. 19 76
*Will spend $10 million on additional acrolein and glycerine facilities at Norco, La. plant ... July 4 31
Shell Development Co. - *Cited by Air Force for cooperation in developing radiation-resistant fluids ... Aug. 8 37
*Engineer reports lubricant film is present at all times in operations of gears at high speeds and under heavy load conditions ... Oct. 24 32
*Simple, quick test developed to help determine how fuel oil will behave in service after a long period in storage ... Sept. 19 18
Shell Oil Co. - *ACT approved for Texas lease ... July 18 34
Argentina's "open door" oil policy accepted ... Dec. 12 9
*Asks permission to conduct pressure maintenance program on Pine unit, Montana ... Oct. 3 32
*Asks permission to operate automatic custody transfer system on permanent basis in several West Tex. fields ... Sept. 26 34
Cia. Shell de Venezuela see under name
Equipment heads for Lake Maracaibo terminal (pic) ... Oct. 17 53

Finds West German bottomhole pressure gauge an effective tool ... Oct. 24 18
Flexible pipe gets offshore test in Gulf of Mexico ... Dec. 26 30
*Installing automatic wax-molding machine at Houston, Tex. lube plant ... Dec. 26 26
Magnetic-tape seismograph - new geophysical tools more sensitive ... Oct. 17 22
*Mid-Continent Pipe Line buys crude gathering facilities in Tatum field, Okla. ... Dec. 5 44
*New refinery at Harburg, West Germany, on stream ... Nov. 14 112
*New 'tailored pricing' predicted by J. G. Jordan ... Sept. 26 52
Newunits cut offshore line-clogging ... Aug. 22 23
*Norco, La. refinery - octane-improvement project completed ... Dec. 19 39
No. 1 Bear Creek - Alaska: interest warms warms as weather cools (pic) ... Oct. 10 26
*No. 1 Light, triple completion in Kansas ... Aug. 15 31
No. 5 Rumberger - Deep drilling: report ... Oct. 3 40
*No. 5 Rumberger, Okla. deep test, will go deeper than scheduled ... Aug. 22 22
No. 5 Rumberger - diamond bits cut round trips, improve penetration test ... Nov. 7 27
No. 5 Rumberger - fish job completed ... Oct. 24 20
*Plans three projects at Martinez, Calif. refinery ... Dec. 12 38
*Plans to build gas liquids recovery plant in Mississippi ... Dec. 12 38
*Plans to install dwarf pumps and motor oil cabinets at new or modernized stations ... Dec. 26 33
*Putting new emphasis on training dealers to use oscilliscopes in engine tests and motor tune-ups ... Oct. 10 43
*Russian oil will displace oil from Shell and Gulf Oil in Finland ... Nov. 14 112
Silica-gel units aid in gas stripping ... Aug. 15 24
*Surrenders concessions along Colombian border ... Aug. 8 42
*Texas RR Comm. grants permission to use ACT on several West Tex. leases ... July 11 44
*Trial waterflood program for Montana's Pine unit ... Dec. 26 23
Will attempt deep test this summer in Liard River region, Canada ... July 11 43
*Will build natural gas processing and cycling plant in Weeks Island, La. field ... Oct. 31 26
*Will help employees invest in common stock ... Dec. 12 12
Shell Oil Co. of Canada, Ltd. - *Alberta wildcat hailed as significant find ... Sept. 12 15
Gas find may be Canada's biggest ... Sept. 19 32
Weather blocks far North work ... Sept. 5 26
*Will build a distillate hydrodesulfurizer at Shelburn refinery, B.C. ... July 11 58
Shell Pipe Line Corp. - Four Corners-to-West Coast line using remote-control system ... Sept. 19 88
*Lets contracts for construction of common carrier crude line from the Mississippi River delta to New Orleans ... Nov. 14 102
Sico Co. - *Becomes Cities Service distributor in two Pennsylvania counties ... July 25 47
Siebens Leaseholds, Ltd. - *Acquires oil rights in Bahamas ... Oct. 10 48
Signal Oil & Gas Co. - Benefits seen in planned merger with Hancock Oil ... Sept. 19 16
*Completes fifth exploratory well in Lake Maracaibo Block 4 ... Aug. 8 42
*Plans to concentrate drilling on Lake Maracaibo Block 4, Venezuela ... Oct. 3 73
*Seeking leases in West L. A. area ... Aug. 8 29
Will rebuild and expand Hancock's Signal Hill refinery damaged by fire in May ... Dec. 12 6
Sinclair Oil & Gas Co. - *Completes purchase of additional oil holdings in Merchant field, Tex. ... Dec. 5 37
*Launches first phase of largest waterflood in Oklahoma's Golden Trend area ... July 11 44
*Launching extensive LP-gas advertising campaign to build brand identification for new trade name, "Truflame" ... Aug. 8 45
No. 1-A Montgomery - Deep drilling: report ... Oct. 3 40
No. 1-A Montgomery, Texas - world's second-deepest test runs smooth ... July 25 26
Oklahoma's new Arbuckle pay - No. 1 Holcomb ... July 18 28
*Purchases full interest in 32 producing wells along Texas Gulf Coast ... Aug. 8 16
Sinclair Oil Corp. - *Agreement with British Petroleum to supply and market crude in Western Hemisphere ... Oct. 31 13
Deadlocked with OCAW over wages ... Nov. 21 6
Plans to use supertanker in one-product service soon ... Sept. 5 38
Sinclair-BP: a new competitive force W. M. Jablonski ... Nov. 7 19
*Spencer, P. C. says immediate adjustment necessary in refinery yields ... Aug. 15 15
*Using "footnall contest" to build station traffic in Chicago area ... Nov. 21 51
*Wants to acquire all assets to Texas Pacific Coal & Oil Co. ... Nov. 28 6
Sinclair Pipe Line Co. - *Allegany County (N.Y.) system taken over by Quaker State Oil Refining Corp. ... Nov. 14 102
*Snelling Co. will build 22-mi. small-diameter crude line in Ark. ... Oct. 17 39
*Will increase West Texas-to-Gulf Coast crude line capacity ... Aug. 1 16
Sinclair Refining Co. - *Fair trade pricing revived in Pa. ... Nov. 7 113
*Splitting 36-state marketing territory into two regions ... Oct. 3 85
Tests new station design at Riverside, Conn. ... Oct. 24 46

Sinclair Research Laboratories Inc. - *Establishes closer liaison with auto manufacturers ... Sept. 5 15
*Geophysical tool gives improved visual record of seismic information ... Nov. 14 42
Sinclair Somal - Moving to fourth location in Somalia ... Oct. 3 71
Skelly Oil Co. - *High bidder at lease sale of Kiowa Indian lands in Okla. ... Oct. 17 28
*Modernizing and expanding El Dorado, Kan. refinery ... July 4 31
Unintentional flare - fire at No. 2 Killingsworth (pic) ... Dec. 12 11
'Slim-Hole' Drilling Co. - *Files petition of voluntary bankruptcy ... Sept. 5 30
Smith, A. O. Corp. - *Purchases Erie Meter Systems, Inc. ... Nov. 7 113
SN Repal - *Fifteen rigs at work at Hassai Messaoud field ... Oct. 24 44
Snelling Co. - *Will build 22-mi. small-diameter crude line for Service Pipe Line Co. in Ark. ... Oct. 17 39
Soc. Africaine des Petroles - French Africa - first test underway east of Abijdan ... Sept. 19 78
Soc. des Petroles d'Afrique Equatoriale Francaise - *Gabon deal set ... Sept. 12 53
*Joint agreement with two Socony Mobil affiliates for exploration in Gabon and Middle Congo ... Oct. 10 47
May enter French Equatorial Africa ... Sept. 19 78
Soc. France Outremer de Prospections et Exploitations Petrolieres - *Encounters first encouraging oil show in Paris Basin ... Aug. 15 44
Soc. Nazionale Metandotti - *Jordan awards contract for refinery to be built at Zarkah ... Sept. 19 82
Socony Mobil Oil Co. - *Announces Gelsenberg will acquire interest in exploration rights in Libya ... July 11 72
*Delivery of first shipment through TET Little Big Inch system ... Aug. 22 13
*Emphasis on dealer incentives with - "Payman Plan" ... Aug. 22 47
Fotoscope Oil Condition Tester - new lube sales tool ... Nov. 7 112
Increased demand for fuel oils in eastern markets predicted by L. J. Marshman ... Sept. 19 92
In-situ combustion can be profitable ... Dec. 12 17
*National guidebook series to be continued ... Nov. 7 113
*Paulsboro, N.J. refinery back on stream after two-week shutdown due to strike ... Oct. 24 14
*Paulsboro, N.J. refinery may be closed by strike ... Oct. 3 16
*Planning "gradual discontinuation" of St. Louis, Mo. marketing division headquarters ... Sept. 19 94
*Reorganization of its marketing department ... Dec. 5 59
Rotterdam-Ruhr pipeline start (pic) ... Sept. 26 49
Strike at Paulsboro, N.J. refinery may provide testing ground for efforts by oil unions to get a wage hike this year ... Oct. 10 14
*Survey of its "very successful dealers" ... Sept. 26 52
*Testimony of competing suppliers ruled out in FTC hearing on complaints against solicitation of auto dealer lube customers ... Sept. 26 52
*Two affiliates conclude agreement with French firm for joint exploration in Gabon and Middle Congo ... Oct. 10 47
Socony Mobil Oil Co. de Venezuela - New petroleum center in Caracas ... Sept. 12 52
Sohio Pipe Line Co. - *Installs air conditioners in some un-attended pump stations ... Sept. 5 40
Somerset Shipping Co. - *Philine, largest commercial vessel ever built in Delaware Valley, launched ... Oct. 17 37
Southeastern Drilling Corp. - Offers to drill on sites picked by Argentina state oil monopoly ... Aug. 22 45
Southern Natural Gas Co. - *FPC approves facilities which would enable company to buy gas in Dexter field, Miss. ... Nov. 7 90
Rather, C. P. at Louisiana-Arkansas div. meeting of Mid-Continent Oil & Gas Assn. - Intrastate gas has limits ... Oct. 3 14
$65-million expansion program for southeast awaits FPC approval ... Dec. 19 40
Southern Union Gas Co. - *Will link three more San Juan Basin gas fields with main line to N.M. ... Aug. 8 39
Southland Co. - *Will shut down refinery near Yazoo, Mich. ... Sept. 5 35
Southwest Research Institute - *Reports development of new, highly efficient gas-fired absorption refrigeration system ... Oct. 17 48
Southwestern Industrial Electronics Co. - *New series of high-sensitivity geophones ... Dec. 5 37
Southworth & Wood - Continue Texas fireflood ... Dec. 19 23
Texas fireflood solves some problems ... July 18 22
Speedway Petroleum Corp. - *"New look" service stations, trade marks, and packaging ... Nov. 14 118
Speirs, John G. Bit & Oil Tools - Giant bits are drilling 45-in. holes ... July 4 19
Standard Oil Co. of Calif. - *Abandons deepest test ever drilled in Alaska, No. 1 Deep Creek Unit ... Aug. 15 26
*Alaska - Kenai Peninsula test drilling below 11,209 ft. ... Oct. 24 25
*Awards contract to Fluor Corp. Ltd. to build alkylation plant and isomerization plant at Socal's Richmond, refinery ... Oct. 17 47
*British Guiana exploration starts with offshore seismic survey ... July 25 45

*Short News Item, (ed)Editorial

A bulk plant among the Tahitian palms (pic) ... Nov. 7 106
*California tidelands lease approved ... Oct. 24 25
Electronic control system for Red Wash field, Utah ... Dec. 19 26
Guatemala drilling push to start ... Oct. 10 44
*Hawaii refinery - work will begin - finally this fall ... Aug. 15 15
*Hawaiian refinery groundbreaking will take place Oct. 24 ... Oct. 10 35
*Miracle & Wooster Drilling spuds test north of Seattle, Wash. ... Sept. 26 35
*Offers to swap Navy special fuel oil for Elk Hills crude ... Oct. 10 16
Offshore California: Is it ready for 'big-time' oil play? ... Nov. 28 14
*Petersen, T. S. says now would be the "worst of all possible times" to impose further tax burdens on U.S. companies producing abroad ... Oct. 10 16
Reclamation shop saves time and dollars at Richmond (Calif.) refinery ... Nov. 14 49
*Restores cut-back production ... Aug. 15 26
*Slimhole completion, first of its type in Calif. ... Dec. 19 32
Standard-Humble Lease PRC 1824.1 - discovery of "important proportions" off California ... Nov. 21 6
*Starts gas injection pressure maintenance program at Red Wash field, Utah ... Oct. 31 21
Starts work on Hawaiian refinery ... Oct. 24 28
Standard Oil Co. (Ind.) - Amoco Trading Corp. formed to complement activities of Pan American International ... Dec. 12 6
Foreign groups to speed Sahara hunt ... Sept. 12 13
Former president, Alonzo William Peake, dies in Scotland ... Sept. 5 15
